Head Coach: Rodney Terry

Fresno State Coach forgets history in the Spectrum

In order to try to spur his athletes back on track for the end of the season, Fresno State head coach Rodney Terry decided to refer back to one of the great players in Fresno State's recent history.

"Paul George has put a name out for the Fresno State brand. We realize that he got out of here after 2 seasons because our program was so dismal that he didn't want to stick around for any more time than that, but hey. I mean, we had him for a bit!"

Coach Terry even threw together a giant powerpoint presentation highlighting George's success in the Spectrum during his career.

"As you can see, Paul tore it up in the Spectrum. His first year he had 8 points! 8! That's good...ish. The next year he shot 4 for 13! Also pretty... well.. good? Kind of? I mean, I've loaded a bunch of game film into my powerpoint to try to get my kids amped on how to play like superstars!"

When questioned by reporters Coach Terry did clarify that he had not watched the film himself because there was no need. When it was further pointed out that George never really tried to play in the Spectrum, Coach Terry quietly excused himself and proceeded to rapidly do something on his computer, either some massive power point editing, or losing very badly in a League of Legends match. He probably plays Teemo.

Paul George wasn't available for comment and has removed Fresno State from his wikipedia page

"THE BANT" - The Most Vowel's We've Seen This Year Edition

Not much of an intro this time around. Because it's Fresno, and they're dickheads, and dickheads don't deserve much of our time.

HONORABLE MENTIONS

Marvelle Harris (Because it's a chick's name. As in a name for chicks, not a dude who claims his biggest thrill - as per the team website - is "dunking on someone or crossing them over." Bad form, chick name.), **Braeden Anderson** (Because... what is with the whole "ae" craze anyway? It was annoying in the Old Testament and it certainly isn't any better now.), **Julien Lewis** (As bad as we want to say that the "e" makes you look stupid, we keep getting overshadowed by you claiming your nickname is "juice." Outside the fact that you think you go well will waffles, you know what happened to the last famous college athlete who was known for that name right? Look up anything 1994 and you'll catch on), **Broderick Newbill** (Anyone picture this guy in a monacle. Like, all the time? Don't lie to us.), **Allen Huddleston** (Chant his name repeatedly during every time out - ya know, when the team, ya know, HUDDLES and stuff. Every. Damn. Time.)

BANT INDUCTEES

Karachi Edo - Now, before you get the notion this cat is Mr. Miyagi's personal seamstress - and, yes, we very much see your

confusion - Karachi here hails from Richardson, Texas, most likely the least Asian city in the world. Now, don't let this get you down. No notion of Southern homage will ever stop the Spectrum crazies from a whirlwind karate-related quotes - wax on, wax off, flying crane, call the goon, WMAC Masters, all of it, no holds barred (neh). Another fun fact, his mother's name (we're 100% honest that this is not a typo) is "U." Yes. One letter. A vowel. Then an apostrophe. If we had a joke to top that off we'd put it right here. We're sorry.

Emmanuel Owotoah - Hold on. Hold on. Look at it again. No, look at it again. There is no way you read that correct after just one pass. If you're curious we'll confirm it for you - yes, Emmanuel very much has four Os in his last name. That could very well be as many Os as his name has syllables. We've seen congressional bill manuscripts that don't have that many vowels. This in many ways begs for the need to get in to the belated Christmas spirit with our personal favorite carol "O, O, O, O Come, O, O, O, O Come Emmanuel." And just when you thought it couldn't get any moooore worse... his number is zero. ZERO! THE NUMBER THAT LOOKS LIKE AN O!!! This kid's team staff can't help but make fun of that "buy a vowel then solve" disaster. Nobody can resist that. NOOOObody.

In All Honesty: A game preview

At first glance one may overlook the Bulldogs. If you look at their schedule, they've won 5 of their last 6 games and are looking much tougher than you'd expect.

Fresno State is led by a trio of guards: Tyler Johnson, Cezar Guerrero and Marvelle Harris. They also have Paul Watson who is making his case for freshman of the year in the MWC. Stopping these four will be key to an Aggie victory.

OUR PREDICTION: Fresno is playing well enough to keep it close, but our Aggies pull out the home victory by five.

The Boo Box - Our gift to you. Use it.

10-Alex Davis: Has fouled out of 10 games this year. Had 4 fouls in 8 more games. According to the Fresno athletic site, has 3 brothers- Oliver, Oliver, and Andre. 2 Brother's Named Oliver. Sounds like a Thursday night comedy on CBS.

1-Tyler Johnson: Leads the team in a lot of things. Probably the best Johnson we'll see all year.

5-Tanner Giddings: Was named Windsor High's prom king. Apparently still holding onto that.

13-Blake Williams: Loves LeBron James for the fact he's overcome more adversity than other athletes to make it. We're not sure if any athlete been HANDED more. Apparently chose to attend Fresno St. because "of basketball".

12-Michael Salazar: Was a steal out of the massively recruited state of Wyoming. Served in the same mission as one of the Bangarang staff. I blocked one of his shots once.

3-Cezar Guerrero: The Evil Arch Nemesis of Enrico Bueno, who has

stolen his donkey, his money, his job, and his woman. Now, in the most epic of tales, Enrico must battle the odds, destiny, and ninjas to get them back. Edge: Enrico, for not redshirting this year.

23-Marvelle Harris: Siblings are named, in order of insanity, Joseph, Marvin, Marsha, Markell, Marquane, Marniece, and -here it goes- Marshanique. Throw Marvelle's name in there, and we're pretty sure Joseph must just hate his life. He also lets his girlfriend tweet from his account pretty regularly. You can probably chat with her during tonight's game if you tweet @Vellshoo.

55-Allen Huddleston: Chose to attend Fresno State he always wanted to be a Bulldog since he was a child ... previously played at Pacific. So I guess that whole "bulldog" dream wasn't too strong there...

44-Kyle Jackson: Also chose Fresno because "of basketball" Moron.

25-Broderick Newbill: Apparently enjoys both "sleeping" and "eating". Did not specifically mention "breathing" so we're a little worried there.
