## A TRADITION OF EXCELLENCE

- Since 2000, Utah State has won seven regular season conference championships and six tournament championships.
- Utah State has advanced to 13 postseason appearances during the same span, and recorded a school-record streak of 13-straight seasons that ended during the 2012-13 campaign. The Aggies' 13-year postseason streak consisted of going to the NCAA Tournament in 2000, 2001, 2003, 2005, 2006, 2009, 2010 and 2011, to the National Invitation Tournament in 2002, 2004, 2007 and 2008, and the CollegeInsiders.com Tournament in 2012.
- Since 2000, Utah State has gone 29-13 (.690) in conference postseason tournaments and has advanced to the championship game 10 times.
- Utah State's 30 wins during the 2010-11 season are tied with the 2008-09 team for most in school history and its 30-4 record is the best-ever at USU. Utah State also won 25-straight Western Athletic Conference games during the 2009-10 and 2010-11 seasons, to set a school and league record.
- Utah State departed the Western Athletic Conference in 2012-13 for the Mountain West after eight years in the WAC, in which the Aggies won four-straight WAC regular-season championships from 2008-11, which is the longest streak in school history. The previous record for consecutive conference titles was two during the 1935-36 seasons in the Rocky Mountain Athletics Conference and the 1997-98 seasons in the Big West Conference. The four WAC titles also ties a school record for most conference championships won as USU won four Rocky Mountain Conference Championships from 1917-36.
- Utah State finished the 2010-11 season ranked No. 25 in the ESPN/USA Today Coaches' Poll, marking the first time since 1978 that USU has been nationally ranked at the end of the season. It is also just the eighth time in school history that USU has finished the season nationally ranked. USU was ranked for nine-straight weeks to end the 2010-11 year, which is its longest streak since the 1970-71 team was ranked for 11-straight weeks. Overall, it was the third time in the previous eight years that USU has been nationally ranked.
- The Aggies won 21-plus games from 2000-2013, which is a school record, bettering the old mark of three straight 20-win seasons from 1962-64.
- From 2000-2017, Utah State has gone 417-175 overall, for a winning percentage of 70.4 percent, 15th-best in the country.
- Over the past 18 years, Utah State has had five All-American selections, 20 first-team all-conference selections, 35 all-conference selections (first and second team) and 48 conference player of the week honorees.
- The 1999-2000 team set a then-school record with 28 wins and went a perfect 19-0 in the Big West Conference, marking only the third time in league history a team has gone undefeated.
- The 2000-01 team tied the school record for wins at the time (28) and recorded Utah State's first NCAA Tournament win in 31 years with a 77-68 overtime victory against Ohio State.
- The 2014-15 team recorded 11 wins in Mountain West play, the most by any second-year program in conference history.

## **DEE GLEN SMITH SPECTRUM**

The Aggies begin their 48th season in the 10,270-seat Dee Glen Smith Spectrum this fall, looking to continue a tradition of large crowds and home court wins.

Utah State has had just one losing season at home in nearly half a century of play in the Spectrum. The Aggies have compiled a 562-136 (.805) record in 47 years, including a perfect 14-0 mark in 1973-74, 15-0 records in 1997-98 and 2000-01, and 17-0 records in 2007-08, 2008-09 and 2010-11. Utah State posted a 10-5 record in the Dee Glen Smith Spectrum last season, marking the Aggies' 23rd-straight season with double-digit home victories. Since 2000, Utah State has posted a 125-27 (.822) record against league opponents and has won 255 of its last 296 games (.861) against all competition in the Spectrum.

Large crowds are another characteristic of the arena, as the Aggies have averaged better than 7,000 fans per game in 42 of their 47 seasons in the Spectrum. USU brought in more than 100,000 spectators last year, and over five million fans have attended Aggie basketball games in the Spectrum. A school-record 184,932 fans attended home games during the 2011-12 season, while 141,989 fans attended home games during the 2015-16 season, marking the 22nd-straight year that Utah State has drawn more than 100,000 fans.

The impressive facility has helped bring various postseason events to Logan, including first-round National Invitation Tournament games in 1984, 1996, 2002 and 2004. In addition, the Spectrum played host to a 1971 NCAA Tournament game.

The Aggie gymnastics and women's basketball teams call the Spectrum home, as well. The Spectrum was the site of the 1983, 1993 and 1999 NCAA Midwest Region Gymnastics Championships, and hosted the 2000 Big West Gymnastics Championships, the 2002 Western Gymnastics Championships, the 2005 and 2012 WAC Championships and the 2017 MRGC Championships. In addition to sporting events, the Spectrum is utilized for concerts, graduation, the Festival of the American West and other special events.

The Smith Spectrum was dedicated on Dec. 1, 1970, prior to a 95-89 victory against Ohio State. Over the past 10 years, the Spectrum has taken on a new look as a new state-of-the-art scoreboard, sound system and additional lights were installed prior to the 2002 season, to go along with new scorer's tables that were added prior to the 2001 season. In the summer of 2009, renovations to the existing men's and women's basketball locker rooms were made, along with the creation of a new student-athlete lounge and study area. Dressing rooms for four teams are available. The playing floor, which was replaced in the summer of 2004, is permanent and constructed of maple hardwood on a cushion, over concrete. In the summer of 2012, a new updated state-of-the-art video board, scoreboard and scorers tables were installed, along with the resurfacing of the playing floor with the new logo, and in the summer of 2015 the court was again resurfaced and re-painted with a larger U-State logo at center court.

The arena is named for Brigham City native Dee Glen Smith, who built one of America's largest grocery store chains and was a substantial supporter of Utah State University. Smith died in 1984.

## **SPECTRUM MAGIC**

Utah State teams were nicknamed "Big Blue" (pictured above) by The Logan Herald Journal as early as 1916, an apparent reference to the Blue Ox of Paul Bunyan lore.

#### **GREAT FAN SUPPORT**

Last year, an average of almost 7,000 fans packed the Dee Glen Smith Spectrum for every contest to watch their Aggies win double-digit home games for the 23rd-straight season. Utah State ranked fourth in the Mountain West in attendance with more than 103,000 people in attendance during the season.

#### **HOME COURT ADVANTAGE**

Playing in the Dee Glen Smith Spectrum is definitely an advantage for the Aggies. Since 2000, Utah State teams have won just under 90 percent of their home games (255-41). The Aggies have a 562-136 (.805) all-time record in the facility.

Utah State has gone unbeaten six times in the Spectrum's 46-year history.

The Aggies have won 255 of their last 296 games (.861) in the Spectrum, dating back to the 2000 season, including 125 of their last 152 (.822) home games against league competition over the same span.

During the 2017-18 season, Utah State will play 16 games in the Dee Glen Smith Spectrum. Home game highlights include match-ups with in-state foe BYU, and former Big West-rival UC Irvine as well as Mountain West contests against Boise State, New Mexico, UNLV, Colorado State, Fresno State, Nevada, Wyoming, San José State and Air Force.

Utah State's fans were recently recognized by bleacherreport.com as the only honorable mention selection to its top five best college fanbases behind Kansas, Indiana, Kentucky, Duke and Syracuse.

Utah State had a school-record streak of 37 straight		
victories in the Spectrum, spanning the 2007-08 to		
2011-12 seasons. Overall, USU has had a winning re-		
cord at home for 34 consecutive seasons.

DEE GLEN SMITH SPECTRUM YEAR-BY-YEAR RECORDS

## A COMMITMENT TO ACADEMICS

Dr. Brian Evans and his staff provide all the necessary tools and resources for student-athletes to be academically successful. This includes academic tutoring & mentoring, learning skills assessments and strategies, course management assistance, degree program advisement and career development.

The office also administers USU's NCAA Student-Athlete Affairs program and coordinates Aggie Ambassadors, Utah State's student-athlete outreach program.

Since 2000, Utah State has had better than an 80 percent graduation rate. The senior class each of the last four years has gone on to graduate, including 2016-17 seniors Connor Garner, Jalen Moore and Shane Rector. The lone Utah State senior from 2012-13 academic year graduated, as did all three of the seniors from the 2011-12 season, as well as all six seniors from the 2010-11 season, along with its lone senior during the 2009 and 2010 seasons.

In its eight years in the league, Utah State student-athletes led the Western Athletic Conference with an 84 percent graduation rate, while maintaining over a 3.19 cumulative grade-point average. During the 2013-14 academic year, Utah State had 242 student-athletes recognized for academic excellence in the Mountain West to take second in the league. The number increased in 2014-15, when Utah State was recognized with 250 student-athletes named to academic awards. In 2015-16, the number increased to 273 student-athletes, second in the MW. Overall, USU has led its conference 16 times in the last 19 years, as it led the Big West Conference in 2000 and 2002-05. In 2001, the Aggies ranked second in the Big West in academic selections. Additionally, USU honored 195 student-athletes with a cumulative GPA of 3.2 or better at its own Joe E. Whitesides luncheon.

# **BASKETBALL FACILITIES AND SUPPORT**

During the summer of 2009, Utah State's locker room was completely remodeled as new state-of-the-art lockers were installed. A student-ath-lete lounge was also created within the locker room that has three flat-screen high-definition televisions equipped with Wii and XBox capabilities. A full-size refrigerator that is stocked daily with weight-gaining supplements is also located within the lounge, along with leather couches and a wireless work-station with computers. A cold pool was also installed inside the locker room to help enhance players' muscle recovery.

Completed in June, 2013, Utah State's \$6.5 million, 26,329 square-foot ICON Sports Performance Center features areas for weight training, cardiovascular workouts and speed and agility training, as well as offices for staff. Built on existing university property at the northwest corner of Maverik Stadium, the state-of-the-art multi-level facility alleviated overcrowding in the previous 5,800 square-foot strength and conditioning center and accommodates almost 400 student-athletes from 16 sports programs.

The ICON Sports Performance Center is the largest such facility in the Mountain West and rivals any strength and conditioning complex in the country. Of the schools Utah State competes against in the MW, Fresno State currently has the second-largest strength and conditioning center(s) at 12,500 square feet, followed by Air Force (12,000 sq. ft.), Boise State (12,000 sq. ft.), Wyoming (11,100 sq. ft.), Hawai'i (10,000 sq. ft.), New Mexico (10,000 sq. ft.), Colorado State (10,000 sq. ft.), San José State (10,000 sq. ft.), UNLV (8,200 sq. ft.) and Nevada (8,000 sq. ft.).

The Wayne Estes Center is a \$9.5 million, 32,000 square-foot basketball practice facility and volleyball competition venue that opened in April, 2014. The facility contains a regulation size competition court with chair back seating for 1,400 fans, along with a training room and in-season strength and conditioning area. Office space for both men's and women's basketball and volleyball is included in the new facility, as well as a locker room and film room for volleyball. Ticketing and concession services are available on game days. Located inside the foyer of the Wayne Estes Center is a visual tribute of the building's namesake.

The facility was made possible following a lead gift of \$5.25 million from Jim and Carol Laub (the largest single gift in the history of Aggie Athletics) and a \$1.3 million gift from Blake Kirby. All funding for this new facility came from private donations.

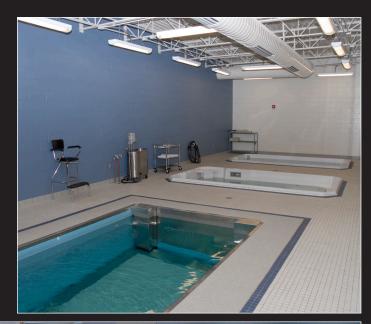

# LAUB ATHLETICS-ACADEMIC COMPLEX

The Dale Mildenberger Sports Medicine Complex and the Dr. John Worley Sports Medicine Research Center is one of the finest in the nation with over 11,000 square feet to provide maximum service to Utah State's 16 intercollegiate sports and 375-plus student-athletes. Among the many amenities are 24 treatment tables, a 2,000 square foot physical therapy and rehabilitation center, and three hydroworx therapy pools for non-weight or partial weight-bearing rehabilitation to enhance recovery. The Sports Medicine Complex also houses office space for four full-time staff members and 12 graduate assistants, a team physician examination room and physical therapy office.

With the addition of the new facilities and the continued cooperation between Utah State Athletics, Intermountain HealthCare and HPER/Exercise Science, Utah State University is becoming one of the foremost sports medicine research institutions in the intermountain west.

# LAUB ATHLETICS-ACADEMIC COMPLEX

The third floor of the Jim and Carol Laub Athletics-Academics Complex houses the academic center for student-athletes. This center consists of a 24-unit computer center, a spacious study center, and several individual one-on-one tutor rooms. Additionally, there are three smaller classrooms that can be used for group study sessions, group tutoring, tutor meetings, and general meeting and study needs. Two of the classrooms can be opened to create one larger classroom. All classrooms have television monitors installed and have data connectivity for PowerPoint, Internet and other useful presentations. The study center is completely wireless for student-athletes to connect to the Internet anywhere in the facility, but also has sub-floor electrical and data connections throughout. The student-athlete services staff are also housed within the academic center.

Student-Athlete Services is designed to assist student-athletes with academic, vocational and social development. Dr. Brian Evans and his staff provide services including study sessions, tutoring, registration, academic advising and career counseling.

# **FUELING STATION**

The Aggie Fueling Station, located on the bottom floor of the ICON Sports Performance Center, was created prior to the start of the 2016-17 school year by representatives from the nutritional program and athletics, who had a goal of working together to provide student-athletes with the food they need to complement the physical demands of training and nutrition. The fueling station is stocked with appetizing food focused on combining convenience and nutrition. Student-athletes can choose from a variety of fresh fruits and vegetables, cheese, milk, chicken, yogurt, beef jerky, peanut butter, trail mixes and much more. Workers at the fueling station prepare fruits and vegetables, measuring out serving sizes, restock the serving area and plan the daily special. In addition to food preparation, volunteers are on site to answer nutrition questions from student-athletes and give presentations about health and wellness to all 16 of Utah State's sports programs.

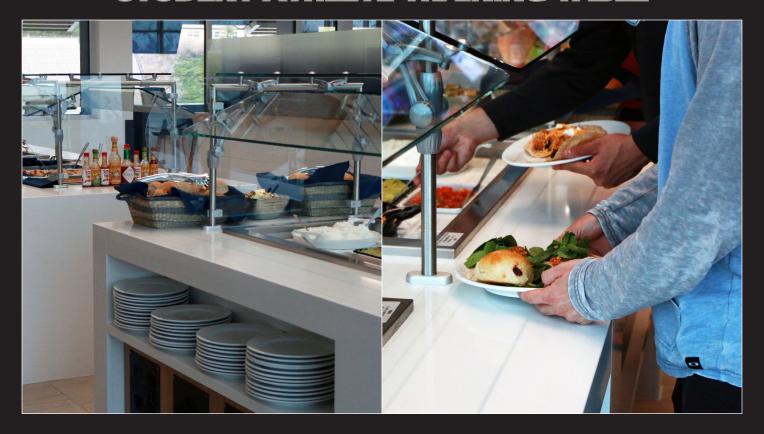

# STUDENT-ATHLETE TRAINING TABLE

Utah State student-athletes are able to attend a training table three times a week during the fall and spring semesters. The menu for the meal is planned by Utah State nutritionists and the strength & conditioning staff to supplement each student-athlete's nutrition needs and to keep each in top physical condition.

# **MEDIA EXPOSURE**

Head coach Tim Duryea addresses the media at his introductory press conference on March 30, 2015.

Pooh Williams, Brockeith Pane, Tyler Newbold, Nate Bendall and Tai Wesley visit with the national media at the 2011 NCAA Tournament.

Located just 90 miles from Salt Lake City, Utah State falls into the 33rd largest media market in the country. Attention is received from the state's largest newspapers, television stations and radio stations.

This season, USU men's basketball will have eight games on national television. The Aggies will be seen on the ESPN family of networks and AT&T Sports Net (formerly ROOT Sports) three times apiece and have singular appearances on the Mountain West Network on Stadium and the CBS Sports Network during the year.

All USU basketball games, home and away, are broadcast on the USU radio network, as well as on the Internet through USU's web page at www.UtahStateAggies.com. Scott Garrard hosts a weekly coach's show with USU head coach Tim Duryea.

Utah State's web page allows media and fans all around the country and around the world to follow Aggie athletics. Updated on a daily basis, the website provides radio broadcasts of games, information on the team and features on the players.

# **CAMPUS LIFE**

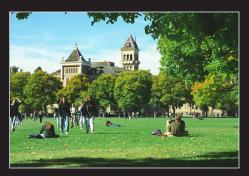

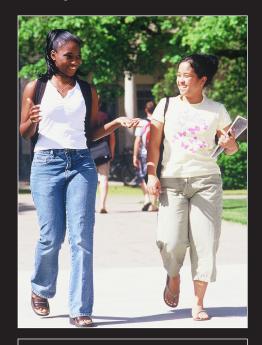

Utah State has more than 100 buildings on 400 acres, with an additional 7,000 acres throughout the state used for agriculture and research.

Located just minutes from the mouth of Logan Canyon, Utah State students have a myriad of recreation options.

With a student body of over 25,000, Utah State has advantages of both the large and small schools with such features as two libraries, excellent laboratories and top-rated cultural attractions.

The student body represents every county in Utah, all 50 states and 80 foreign countries. A majority of students live on or near campus. The University includes seven resident colleges with 45 departments.

# **LOGAN AND CACHE VALLEY**

With a population of 101,811, nearly 50,000 of whom live in Logan, Cache County is a growing area 90 miles north of Salt Lake City. The Cache Valley itself is 60 miles long and 15 miles wide and experiences each of the four seasons.

The Cache Valley, a fertile green valley with lakes and streams, is surrounded by the Wellsville Mountains on the west and the Bear River Range on the east. Just east of Logan is the Wasatch-Cache National Forest, accessed by Logan Canyon Scenic Byway (Hwy. 89). Logan Canyon is filled with geological wonders, including vertical rock formations, caves and wind tunnels. Thirty minutes from Logan, Beaver Mountain Ski Resort is a popular winter getaway. Fifteen minutes beyond Beaver Mountain, the summit of Logan Canyon is a breathtaking view of turquoise-colored Bear Lake.

# STATE

## **2017-18 SEASON OUTLOOK**

Utah State head men's basketball coach Tim Duryea describes the 2017-18 squad with words such as skilled, good shooters, feisty and competitive. The team is one of the most experienced in recent years with seven letterwinners set to return, including four starters.

"We are going to be skilled and we are going to be a good shooting team," head coach Tim Duryea said. "We are going to be a little undersized, but we are going to be a competitive group. We are competitive, feisty and have a real competitive spirit to us as a group, from what I've seen so far."

In the mix is 2016-17 Mountain West Freshman of the Year **Koby McEwen**, who finished second on the team a year ago with 14.9 points and 5.1 rebounds per game. The total was the most by a freshman since Jaycee Carroll averaged 14.7 points and 4.3 rebounds per game during the 2004-05 season.

"Koby has a work ethic that is unmatched, to any other player that I have coached," Duryea said. "He is the complete package physically, in terms of size, strength and athleticism.

"He is going to be a focal point for every team that we are playing and teams will be game planning and scheming for him," he continued. "He just needs to react accordingly. He needs to make his teammates better, in addition to being a dominant player himself."

Joining McEwen, in arguably the best one-two punch in the backcourt in the MW, is **Sam Merrill**, who wrapped up his freshman year third on the team in scoring with 9.4 points per game and led the

Aggies with 98 assists, finishing seventh in the nation with an assist to turnover ratio of 3.27.

"Sam is healthy and is a more confident offensive player," Duryea said. "He is the kind of guy who will do what you need him to do on a nightly basis. Whether that means scoring 16 points, or guarding the other team's top perimeter guy, he'll be up for the challenge."

The Aggies' backcourt will also benefit from the return of senior **Julion Pearre**, the only player on the Utah State roster that has been with the team each of the past four seasons.

"Julion has had the best spring and summer of any player on our team," Duryea said. "He has worked extremely hard and is extremely confident. This is his fourth year playing at this level and I fully expect Julion to settle into any role that will benefit the team the most. He will be comfortable, confident and will have an exceptionally good senior year."

Sophomore **Diogo Brito** and redshirt freshman **Abel Porter** also saw action for the Aggies last season, as Brito played in 17 games and Porter appeared in three. Porter eventually used a redshirt last year as injuries kept him out the majority of the

"Diogo is a very good defender and makes a lot of plays and gets a lot of deflections because of his anticipation," Duryea said. "He has very good size for a wing. He is a good passer and playmaker. He needs to continue to improve his shooting and if he does that he'll be an effective player at this level."

"Abel is another kid who has worked really hard to get his body back, post mission," Duryea said. "He is a tremendous team leader and communicates well with his teammates. He is very positive and takes a lot of pride in running his team. He gets them organized and makes sure they are organized. He is improving as a shooter, as well."

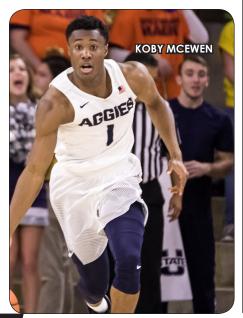

That group of five will be joined by four new-comers in junior transfer **DeAngelo Isby**, sophomore walk-on **Taylor Larson**, and freshmen **Crew Ainge** and **Brock Miller**. Isby, a transfer from Wabash Valley College, led the Warriors in scoring for two consecutive seasons, averaging 16.3 points as a sophomore and 15.0 points per game as a freshman.

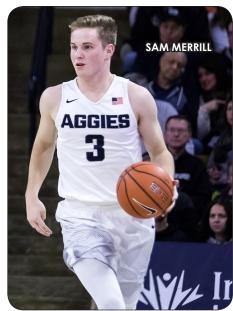

"DeAngelo Isby is a talented offensive player," Duryea said. "He can score in a number of ways. He's got a good feel for the game offensively. He's got to become a more physical defender and needs to place a higher priority on that end of the floor to become a complete player."

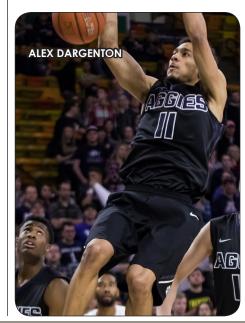

Larson recently returned from a two-year LDS Mission in Indianapolis, Ind., but played at Division III Southern Virginia during the 2014-15 season, appearing in 25 games for the Knights and averaging 5.6 points and 3.1 rebounds per game.

"Taylor came to our walk-on tryouts and impressed us enough to be offered a spot on the team," Duryea said. "He's another guy just off of a mission and will be a valuable member of our scout team."

Danny Ainge, also joins the Aggies following a twoyear LDS Church mission in Baton Rouge, La. Prior to his mission, Ainge starred at Kimball Union Academy, leading his team in every statistical category.

"Crew is a feisty, competitive kid and that carries over into the way he plays," Duryea said. "He is a very good on-ball defender and loves to take upon the challenge to defend. He is becoming a more consistent shooter and has got to be a guy who excels in running your team, communicating with his teammates on offense and needs to be a difference maker defensively, in terms of the intensity he brings and how he is guarding the ball."

Miler, another returning missionary following a

two-year commitment in Buenos Aires, Argentina, was a first-team all-state selection out of Brighton High School in Salt Lake City, Utah, as a senior, leading the Bengals to a runner-up finish in the state tournament. Miller averaged 22.3 points, 3.9 rebounds, 2.1 assists and 0.9 steals per game as a senior and comes from a basketball family, where two older brothers also played Division I basketball.

"Brock is a shooter, scorer and his instinct is to

"Brock is a shooter, scorer and his instinct is to put the ball in the basket," Duryea said. "Those guys are unique in basketball. It doesn't matter if he has missed a few shots, he is going to jump up and shoot that next one with 100-percent confidence. He is a born scorer and shooter. He has a tremendous spirit about him that Aggie fans will really enjoy seeing."

Utah State returns a pair of frontcourt players in senior **Alex Dargenton** and junior **Quinn Taylor**, as both appeared in every game for the Aggies last season. Dargenton led Utah State with 34 blocks last season and finished third on the team with 4.7 rebounds per contest. Taylor made his mark on the offensive glass, finishing second on the team with 46 offensive rebounds last season.

"Alex brings the athleticism that we badly need on our frontcourt," Duryea said. "He is a tremendous rebounder and shot blocker per minutes played. He is another guy who is going to have a really good year.

"As coaches, we need to be creative in how we put Alex in positions to succeed," he continued. "He is not your prototypical five-man, in terms of size and strength. But he can do some things that will cause problems for teams offensively with his skill set. Alex can be a very effective, in not tradition, center for us."

"Quinn is a jack-of-all-trades. He is the most position-less player that I have ever coached," Duryea said. "You could put Quinn at almost any position on the floor and he could function. He has a tremendous feel for the game and has great instincts.

"Quinn is the prototypical coach on the floor. He understands basketball, understands the big picture and understands how to make things work," he continued. "He makes his teammates better. He makes things function better offensively, is a great communicator defensively and his understanding of the game makes him very effective on both ends of the floor in multiple positions."

Utah State will benefit in the return of two redshirts in the front court in freshmen forwards **Klay** 

**Stall** and **Daron Henson**. Stall is the only stereo-typical center on the Utah State roster, following season-ending knee surgery on returning starter **Norbert Janicek**.

"Klay hasn't played in two years because of an injury and a redshirt, and has struggled to get himself healthy with his knee and his back," Duryea said. "He needs to continue to progress as a defender, as a rim protector, and has got to get in better shape to be a significant contributor at this level."

Henson will be able to fill the role as a stretch four for the Aggies with his ability to shoot from the outside.

"Daron has come a long way during his redshirt year," Duryea said. "I'm really pleased with the progress he has made. Daron's number one skill is the way he shoots the ball from three. He has really improved as a defender and rebounder. But, he gives you that ability at the four spot to stretch the floor and can score in bunches."

Utah State also adds a pair of newcomers in the frontcourt in junior transfer **Dwayne Brown Jr.**, and freshman **Justin Bean**. Brown, a two-year starter at Northern Oklahoma Tonkawa, finished second on the team in scoring and rebounding with 13.8 points and 7.3 rebounds per game en route to being named second-team all-OCAC.

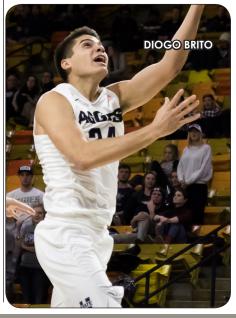

"Dwayne is another stretch four who is multi-dimensional," Duryea said. "He is a guy who can lead your team in rebounding one night, he can lead your team on the fast break, he can make a three, can score in the post, can put it on the floor and drive to the basket. His versatility is really his calling card."

Bean, another player returning from an LDS Church mission (Reno, Nev.), earned first-team all-conference honors as a junior at Southmoore High School in Moore, Okla., where he was the third-leading scorer in the Sooner State.

"Justin is just off of his mission and will redshirt," Duryea said. "He plays with tremendous effort and is a very good shooter."

Utah State had a head start to the 2017-18 campaign, having had practices leading up to its foreign tour to Italy in August. The Aggies played four games during the tour and were able to develop team chemistry that will inevitably carry over into the season.

Head coach Tim Duryea (pronounced Dur-yea) will begin his third season at the helm of Utah State men's basketball in 2017-18. Prior to being promoted to the head job, Duryea was an assistant coach for the Aggies for 14 seasons. Duryea had been the longest tenured assistant coach in program history before taking over in April of 2015 and becoming the 18th head coach for USU men's basketball.

In his second season at the helm, Duryea led the Aggies to a 10-5 ledger at home, the 35th consecutive winning record within the Dee Glen Smith Spectrum in school history. Duryea also coached freshman guard Koby McEwen to Mountain West Freshman of the Year honors as well as all-league honors for McEwen and senior wing Jalen Moore. In the classroom, Utah State had four players recognized with academic all-MW honors in freshmen Diogo Brito, Sam Merrill and Abel Porter, a junior Alex Dargenton. Brito was also named a Mountain West Scholar Athlete.

Utah State's offense was the best in the league during Duryea's second season, as the Aggies shot a Mountain Westbest 46.1 percent (790-of-1,713) from the floor and finished second behind the 3-point line, shooting 37.9 percent (234-of-618).

During his inaugural season in 2015-16, Duryea mentored junior wing Jalen Moore and senior guard Chris Smith to third-team all-Mountain West honors. Duryea also led the team to the third-best start by a first-year head coach in USU history, finishing the year with 16 wins. In the classroom, Utah State had three players recognized with academic all-MW honors in seniors Lew Evans and Grayson Moore, and sophomore Julion Pearre. Moore was also named a Mountain West Scholar Athlete.

In his 16 seasons at Utah State, Duryea has been part of an Aggie program that has advanced to the NCAA Tournament six times (2003, 2005, 2006, 2009, 2010, 2011), and won five conference championships in the Big West (2003) and Western Athletic Conferences (2008, 2009, 2010, 2011), while winning four conference tournament titles in the Big West (2003, 2005) and WAC (2009, 2011).

In seven seasons leading up to his appointment as head coach, Duryea was in charge of an Aggie offense that traditionally was one of the best in the nation. The trend continued as head coach, with Utah State leading the Mountain West in 3-point field goal percentage (.370) and finishing third in the league in overall field goal percentage (.451). In 2014-15, Utah State led the Mountain West and ranked No. 14 nationally in 3-point shooting (.394), while also ranking second in the conference and No. 17 in the nation in assist-to-turnover ratio (1.38), and second in the conference and No. 19 nationally in fewest turnovers per game (10.4). Individually, USU had the best field goal shooter in the Mountain West in redshirt freshman forward David Collette, who was No. 14 in the nation at 59.1 percent (163-of-276).

In 2013-14, Utah State ranked second in the nation in 3-point field goal percentage (.406), as well as No. 12 in assists per game (15.9) and No. 19 in assist-to-ratio (1.44). During the 2011-12 and 2012-13 seasons, USU ranked No. 24 nationally in field goal percentage at 47.5 and 46.9 percent, respectively, while ranking No. 28 nationally in field goal percentage (.470) during the 2010-11 campaign.

During the 2009-10 season, Utah State ranked third nationally in 3-point field goal percentage (.414), ninth in overall shooting (.488) and No. 10 in free throw shooting (.758), and was the only team in the nation to rank among the top-10 in all three shooting categories. During the 2008-09 season, USU finished the year as the nation's best shooting team (.496) and ranked No. 17 in 3-point field goal percentage (.394).

Duryea spent his first seven seasons at Utah State in charge of an Aggie defense that traditionally ranked among the top in the nation in points allowed, including No. 4 in 2002 (58.1), No. 8 in 2005 (57.8) and No. 9 in 2003 (60.0).

During his time as an assistant at Utah State, the Aggies recorded a dozen 20-win seasons, including setting the school record for wins with a 30-5 mark during the 2008-09 season and a 30-4 mark during the 2010-11 campaign. USU also had 18 players earn a total of 30 all-conference honors during the past 14 years, including three WAC Players of the Year in Jaycee Carroll (2008), Gary Wilkinson (2009) and Tai Wesley (2011). Furthermore, USU had three players earn All-American citations a total of four times with Duryea on staff in Carroll (2007, 2008), Wilkinson (2009) and Wesley (2011).

Along with his on-the-court responsibilities, Duryea also oversaw academic progress as an assistant at Utah State, which resulted in 22 Aggies earning academic all-conference honors a total of 40 times over the last 14 years, while nearly 90 percent of USU's players during that time graduated.

Prior to joining the Aggies, Duryea was the head coach at Hutchinson (Kan.) Community College from 2000-01. During his two years at the helm, his teams produced a 40-25 record and back-to-back trips to the Region Six Championships.

A 1988 graduate of North Texas, Duryea began his coaching career in 1988 at Colorado State before moving on to North Texas in 1993. Duryea then went to Hutchinson (Kan.) Community College as an assistant coach for two seasons before becoming the head coach there prior to the 1999-2000 season.

Duryea played basketball at Denton (Texas) High School and Texas Pan-American before transferring to North Texas. At UNT, Duryea was a co-captain in 1988 for one of only three teams in school history to advance to the NCAA Tournament.

Duryea and his wife Angie have 22-year-old twins, Tanner (son) and Taylor (daughter), and a 15-year-old daughter (Kaylee).

Wilson joined the Aggies by way of Adams State, where he had served as head coach since 2010. Wilson is responsible for coordinating defense, guards, recruiting, opposing team scouts and game preparation.

During the 2016-17 season, Wilson coached freshman guard Koby McEwen to Mountain West Freshman of the Year honors. Additionally, freshman guard Sam Merrill finished seventh in the nation with an assist to turnover ratio of 3.27.

Wilson began his coaching career as an assistant at Idaho State (1998-2006) and Southern Utah (1992-98), helping the Bengals to a Big Sky runner-up finish in 2004 and guiding the Thunderbirds to an American West Conference Championship in 1995.

Wilson played collegiately at William Jewell and was inducted in the WJC Hall of the Fame as a member of the 1987-88 team that finished with a 32-2 record.

# Assistant Coach • Second Season • Utah State (2004)

Utah State Hall of Famer and alum Spencer Nelson will begin his second season as an assistant coach after being named to the staff by head coach Tim Duryea in August of 2016. Nelson is responsible for opponent scouting, post-man development, recruiting and an emphasis on rebounding.

Under Nelson's tutelage in 2016-17, sophomore forward Norbert Janicek led the Aggies with a .580 (91-of-157) shooting percentage from the floor and Utah State outrebounded its opponents 35.4 to 34.6 per game.

Nelson, a fan favorite in Logan, was named a Mid-Major All-American and the Mid-Major Player of the Year as a senior in 2005, as he was the only player in the nation to average at least 15.0 points, 7.0 rebounds and 4.0 assists per game. Over the course of his career, Nelson peppered his name in the Utah State record book, finishing among the top 20 in 10 career statistics. Additionally, Nelson owns three of the top 10 single-season field goal percentage records, shooting 65.3 percent as a senior in 2005 to rank fourth all-time, and 60.0 percent as both a sophomore and junior to rank tied for ninth all-time in the USU history books.

During his final three years at Utah State, Nelson helped the Aggies to a 73-21 (.777) mark, including a 42-12 (.778) ledger in the Big West as USU shared the regular season championship in 2004 and won Big West tournament titles and advanced to the NCAA Tournament in 2003 and 2005. Nelson was also a three-time academic all-Big West honoree and one of the 16 Aggie greats named to the USU All-Century basketball team in 2005.

Nelson went on and played professional basketball overseas for 10 years, competing in Germany, Italy, Greece and Spain. He retired in 2015 and has spent the last year working in private equity with the Cicero Group in Salt Lake City. Nelson was inducted into the Utah State Hall of Fame in 2015.

Nelson earned an undergraduate degree, dual majoring in accounting and finance, and an M.B.A. from Utah State. He and his wife, Julie, have four children - Hannah, Logan, Tommy and Violet.

Nelson is the fourth former player and the first in more than 20 years to appear on a Utah State men's basketball coaching staff, joining Reid Newey (1992-93), Jim Boatwright (1989-91) and fellow USU Hall of Famer Jimmy Moore (1988-93).

# COACH DURYEA ON COACH NELSON

"First and foremost, Spencer is an Aggie, and not only that, but an Aggie great. He was a phenomenal player and the best leader as a player that I have been around in my 15 years at Utah State. He has a passion, not only for basketball, but for this institution. He came here, got his degree, got a graduate degree, did an internship on Wall Street and had a 10-year pro career overseas. I don't think there is anyone more qualified to sell what Utah State University can do for a student-athlete than Spencer Nelson."

# JESSE PARKER

# Director of Basketball Operations • Fifth Season • Utah State (2012)

Jesse Parker is entering his fifth year as the director of basketball operations at Utah State.

Parker is responsible for scheduling all team meetings, meals and travel, helping coordinate practices, disseminate information and act as the liaison between the coaching staff and support staff, coordinating recruiting visits, managing program's equipment, supervising and coordinating student managers, and assisting with day-to-day activities of the coaching staff. Parker also coordinates the annual summer Aggie Basketball Camps.

A native of Kamas, Utah, Parker was the Aggies' team manager from 2009-13, handling practice set up, equipment and uniforms, as well as various other practice and game day responsibilities.

During Parker's time with USU, the Aggies have won two Western Athletic Conference titles (2010, 2011) and made two trips to the NCAA Tournament (2010, 2011).

Parker earned his bachelor's degree in physical education teaching from Utah State in 2012 and earned his master's degree in education from USU in the spring of 2014.

# COACH DURYEA ON COACH PARKER

"Jesse is a true Aggie. As an alumni, Jesse is very proud to represent Utah State and does a great job for our program on the operations side. This position requires a great deal of organization and detail and is vitally important to a successful, well-run program. We are very fortunate to have someone that appreciates Utah State as much as Jesse does."

# **MOUNTAIN WEST CONFERENCE**

# THIS IS THE MOUNTAIN WEST

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship. Now in its 19th year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements during its first 18 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system, and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the new College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Broncos defeated then 10th-ranked Arizona 38-30 in the VIZIO Fiesta Bowl. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

Changes in the NCAA governance structure set the table for another Conference first, when two members of the MW Student-Athlete Advisory Committee (SAAC) were included in the June 2014 meeting of the Mountain West Board of Directors. New Mexico track and field athlete Kendall Spencer, the national chair of the 2014-15 NCAA Division I Student-Athlete Advisory Committee, and Air Force Academy volleyball player Emma Dridge joined the BOD members in this historic meeting to advance the discussion on student-athlete involvement in the NCAA and MW governance structure. During the last three academic years, MW student-athletes participated on monthly membership calls and have joined MW administrators in the annual Joint Council Spring Meetings in Arizona.

The Mountain West is well-represented within the new NCAA governance structure, including individuals who were appointed to serve on committees tasked with managing the day-to-day business of Division I athletics. Colorado State President Tony Frank currently sits on the DI Board of Directors, while MW Commissioner Craig Thompson and Fresno State

Faculty Athletics Representative Dawn Lewis are members of the DI Council. Kendall Spencer, the former chair of the DI Student-Athlete Advisory Committee and UNM track & field athlete, was the first student-athlete in the history of the organization to serve on the Division I Board.

Additionally, the Mountain West was the first conference to have a member institution with No. 1 overall picks in both the NFL and NBA drafts in the same year (Utah's Alex Smith and Andrew Bogut, respectively in 2005). With UNLV's Anthony Bennett claiming the No. 1 pick in the 2013 NBA Draft, the Mountain West is one of three conferences to have multiple No. 1 NBA draft selections since 2000. Also, with San Diego State's Stephen Strasburg earning the No. 1 pick in the 2009 MLB Draft, the Mountain West is one of two conferences to have the No. 1 selection in each of the NFL, NBA and MLB drafts since the MW was founded in 1999.

The Mountain West is noted for its aeographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet - the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San Jose State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean, while the addition of the women's soccer program at Colorado College gives the MW an additional presence in the Rocky Mountains.

#### HISTORY

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were

longtime members as well LINIV and TCII entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU re-joined the group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014. the Colorado College women's soccer program became the first non-football affiliate member of the Mountain West, expanding that sport to 12 Conference participants.

When the Mountain West officially began operations on July 1, 1999, the new league had in place a seven-year contract with ESPN, giving the broadcast entity exclusive national television rights to MW football and men's basketball, and three-year agreements to send the league's football champion to the Liberty Bowl and a second team to the Las Vegas Bowl. Commissioner Thompson also arranged a third bowl tiein each of the first three seasons (1999 Motor City, 2000 Silicon Valley, 2001 New Orleans) before securing a four-year deal with the Emerald Bowl in San Francisco in 2002.

Entering the 2017 season, the MW has agreements with seven (7) different bowl games that will generate at least five (5) guaranteed postseason opportunities for its member institutions. These include primary positions with the Famous Idaho Potato Bowl, Gildan New Mexico Bowl, NOVA® Home Loans Arizona Bowl, Las Vegas Bowl, and Hawai'i Bowl - and secondary positions with the Ticket City Cactus Bowl and the Foster Farms Bowl.

An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in seven inaugural bowl games (2000 Silicon Valley, 2001 New Orleans, 2002 San Francisco (Emerald), 2005 Poinsettia, 2006 New Mexico, 2015 Arizona, 2015 Cure), as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

# NOELLE E. COCKETT

UNIVERSITY PRESIDENT
Montana State, 1980 • First Year

Noelle E. Cockett was appointed as Utah State University's 16th President in October 2016, beginning her official tenure in January 2017. She is USU's first female president and the only female president with Utah's higher education system.

Since becoming president, Cockett has worked to improve the mission and vision of the university. The dedicated and award-winning faculty at USU are scholar-educators who have shared a commitment to teaching excellence and rigorous research to help students succeed. In March 2017, Jake Christensen and Thomas Hill were named 2017 Goldwater Scholars, and fellow undergraduate A. J. Walters, received an honorable mention, in the prestigious national competition that recognizes outstanding achievements in science and mathematics. Cockett has also been working to improve the facilities students enjoy as part of their education. In April, she was proud to be a part of the ground-breaking for the new Life Sciences building on the Logan campus that will benefit students in more than 30 majors taking foundational biology classroom and lab courses housed in the new facility.

As always, friends, alumni and donors of the university contribute to the livelihood of USU. In early May 2017, the university announced a major expansion of the highly selective Huntsman Scholar Program and the launch of the Center of Growth and Opportunity thanks to a joint \$50 million gift to the Jon M. Huntsman School of Business from the Huntsman Foundation and the Charles Koch Foundation. The joint gift is the largest in the school's history and enables the university to continue fostering innovative research and teaching to improve lives and communities.

Prior to being named Utah State's President, Cockett was serving as Executive Vice President and Provost at USU and has held that position since 2013. Prior to that, she served USU as Vice President for Extension from 2006 to 2013; Dean of the College of Agriculture and Applied Sciences from 2002 to 2013; and Director of the Utah Agriculture Experiment Station from 2009 to 2013.

Cockett has built a distinguished career in sheep genomics research, maintaining an active research program even while serving in various leadership positions at Utah State University. Her research program has centered on the identification of genetic markers associated with economically important traits in sheep, as well as the development of resources that advance research on the sheep genome. Cockett and her colleagues published an article describing the sheep genome sequence in Science in 2014. Her current project focuses on the identification of genetic regions associated with entropion in newborn lambs. Cockett has served as the United States coordinator for sheep genome mapping since 1993 and is an active member of the International Sheep Genomics Consortium.

As an active researcher, Cockett has received many awards and accolades throughout her career including a Young Scientist Award from the Western Section of the American Society of Animal

# **VP/AD JOHN HARTWELL**

# JOHN HARTWELL

VICE PRESIDENT / ATHLETICS DIRECTOR Citadel, 1987 • Third Year

Since being named Vice President and Director of Athletics at Utah State on June 2, 2015, John Hartwell has cast his vision for Aggie Athletics, which embodies maximum effort academically, athletically and socially to ensure success in both the classroom and on the fields of competition.

Hartwell has also focused on maximizing and increasing the department's revenue streams, along with planning for future facility renovations, which includes Maverik Stadium and the Dee Glen Smith Spectrum.

In his brief time at Utah State, Hartwell has already rebranded the fundraising arm of Utah State Athletics with the creation of Aggies Unlimited, which puts all giving under one umbrella.

Utah State also entered into a new partnership with the Larry H. Miller Sports & Entertainment Group to be its flagship radio station for Aggie Athletics, which gives USU additional advertising opportunities throughout Cache Valley and the Wasatch Front, in addition to more control over each broadcast.

Additionally, Hartwell has overseen the completion of the \$36 million, 85,000-square foot West Stadium Center on the west side of Maverik Stadium, which includes 24 luxury suites, 20 loge boxes, over 700 covered club seats and a premium club area that is also used to host a student-athlete training table. Renovations also included new video boards on both the north and south ends of the stadium, along with a new public address system, while major concourse work significantly increased restrooms and upgraded concessions.

Under Hartwell's leadership, Utah State has seen unparalleled athletic success during the past two academic years, highlighted by its men's tennis program winning the school's first Mountain West regular season and tournament championships since joining the Conference in 2013. In fact, men's tennis has won back-to-back regular season championships the past two years, and advanced to the NCAA Tournament as a team in 2017 for the first time in program history as it finished the season with a school-record 23 wins and a final national ranking of No. 45.

Aggie softball has also seen increased success over the past two seasons as they finished the 2017 campaign with a 33-18 record, including a 14-9 Mountain West mark, and advanced to the National Softball Invitational, marking the program's first postseason appearance since 1993. In fact, those 33 overall wins and 14 league victories are its most since 1996, as USU finished the 2017 season tied for third place in the league.

Other Utah State sports that have excelled the past two seasons in the Mountain West include its men's track & field programs, as they finished second at both the indoor and outdoor conference championships in 2016, and third at both championships during the 2017 academic year. Additionally, USU's football program played in a school-record fifth-straight bowl game in 2016.

Even more impressive is Utah State's continued successes by its student-athletes in the classroom as they have an 89 percent graduation success rate, which is the highest in the Mountain West, and a cumulative 3.196 grade-point average. During the 2016-17 academic year, USU had 148 student-athletes earn academic all-Mountain West honors, while 106 were named Mountain West Scholar-Athletes. Additionally, USU recognized 195 student-athletes at its annual Joe E. and Elma Whitesides Luncheon for earning a 3.2 or better GPA.

Hartwell came to Utah State after spending three years as the Athletics Director at Troy, where he laid the groundwork for the future of Trojan Athletics by spearheading several significant upgrades to its athletic facilities, including the addition of a new \$2 million practice facility for the golf teams, a \$3 million renovation and expansion of the softball facility and a \$2.1 million improvement to Veterans Memorial Stadium, while also securing funding for lights to be installed at the soccer and track complex. Hartwell also unveiled the North End Zone Project for Veterans Memorial Stadium, a \$25 million project that will be the new home for Trojan football.

Troy's athletics programs have also seen vast improvement on the fields of play due to Hartwell's leadership and oversight, including the football program that recorded its first 10-win season since joining the FBS and tied for the largest turnaround in the FBS in 2016, not to mention the Trojans being the first Sun Belt Conference team to ever appear in either the Associated Press or Coaches Poll. Men's basketball won the 2017 Sun Belt Conference Tournament and advanced to its first NCAA Tournament since 2003, while the women's basketball program has won back-to-back Sun Belt Tournament championships and appeared in two-straight NCAA Tournaments. Troy's golf programs have also excelled as the women's program has won three of the past four Sun Belt titles, while men's golf has advanced to three-straight NCAA Regionals. Troy's baseball team finished third in the Sun Belt in 2016 and defeated three ranked teams, including No. 5 Auburn.

Under Hartwell, Troy Athletics saw a significant enhancement in fundraising and external relations as he completely overhauled Troy's External Affairs division of the Athletics Department to increase revenues and enhance the fan and game day experience. As part of this makeover was the creation of a new external model, which included the addition of a Senior Associate Athletic Director for External Affairs; bringing corporate sponsorships in house with a partnership with Rockbridge Sports Group; and the development of the Troy Affinity Program to further engage Troy students in athletics.

Hartwell's strong business background also proved to be valuable at Troy as he negotiated a new footwear and apparel deal with Adidas, while also securing home-and-home football games with Duke and North Carolina State in addition to yielding a home basketball game with Mississippi. Hartwell's tenure at Troy also saw a record number of student-athletes earn a 3.0 grade-point-average, an upward trend in APR scores and additional staff positions in Troy's academic support department. During the 2014-15 academic year, Troy student-athletes finished with a 3.01 cumulative grade-point-average and over 57 percent of Troy's student-athletes had a 3.0 GPA or higher.

Hartwell scheduled several marquee football games for the Rebels, including a home-and-home series with Texas that began in 2012.

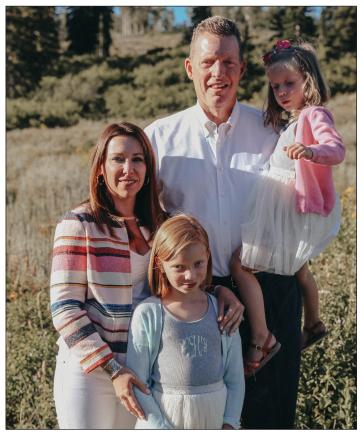

Hartwell managed the growth of the Ole Miss athletic budget from \$26 million in the 2003 fiscal year to over \$47 million in the 2012 fiscal year. He also chaired the search to hire men's basketball head coach Andy Kennedy in 2006. He served on the Southeastern Conference Ticket Committee and started the annual SEC Chief Financial Officers Forum.

A 1987 graduate of The Citadel, the 52-year old Hartwell spent fourplus years as a certified public accountant with Ernst & Young before returning to his alma mater to serve as the Director of Internal Audit in 1991. He was promoted to Associate Athletics Director for Internal Affairs in 1999, and his responsibilities expanded to include sport supervision for baseball, men's and women's golf, men's and women's track & field and cross country. He also had oversight over the Panthers' athletic facilities and game management in addition to his previous responsibilities of all financial aspects of the department. While at Georgia State, Hartwell earned a master's degree in sports administration.

Athletics has always been a big part of Hartwell's life, starting in high school where he was an all-state basketball selection at UMS-Wright in Mobile, Ala. The 6-foot-7 forward played alongside former North Carolina State and Alabama head coach Mark Gottfried in high school. Hartwell went on to play collegiately at The Citadel, where he was a three-year starter, a four-year letterman and captain of the team as a senior in 1987.

Hartwell is married to Dr. Heather Seale Hartwell, and they have two daughters, Lauren (8) and Madison (5). Hartwell also has a 25-year old son, Hunter, a Vanderbilt graduate who works for Deloitte Consulting.
