UTAH STATE GAME DAY

GAME DAY ATMOSPHERE

GAME DAY ATMOSPHERE

DEE GLEN SMITH SPECTRUM

The Aggies begin their 52nd season in the 10,270-seat Dee Glen Smith Spectrum this fall, looking to continue a tradition of large crowds and home court wins.

Utah State has had just one losing season at home in nearly half a century of play in the Spectrum. The Aggies have compiled a 612-144 (.810) record in 51 years, including a perfect 14-0 mark in 1973-74, 15-0 records in 1997-98 and 2000-01, and 17-0 records in 2007-08, 2008-09 and 2010-11. Over the last three seasons, Utah State has gone 39-4 at home, marking the best home record among every school in the Mountain West. The Aggies have recorded double-digit wins inside the Dee Glen Smith Spectrum in each of the last 27 seasons. Since 2000, Utah State has posted a 155-33 (.824) record against league opponents and has won 305 of its last 354 games (.862) against all competition in the Spectrum.

Large crowds are another characteristic of the arena, as the Aggies have averaged better than 7,000 fans per game in 43 of their 51 seasons in the Spectrum. USU led the Mountain West in home attendance last season, and close to six million fans have attended Aggie basketball games in the Spectrum. A school-record 184,932 fans attended home games during the 2011-12 season.

The impressive facility has helped bring various postseason events to Logan, including first-round National Invitation Tournament games in 1984, 1996, 2002 and 2004. In addition, the Spectrum played host to a 1971 NCAA Tournament game.

The Aggie gymnastics and women's basketball teams call the Spectrum home, as well. The Spectrum was the site of the 1983, 1993 and 1999 NCAA Midwest Region Gymnastics Championships, and hosted the 2000 Big West Gymnastics Championships, the 2002 Western Gymnastics Championships, the 2005 and 2012 WAC Championships and the 2017 MRGC Championships. In addition to sporting events, the Spectrum is utilized for concerts, graduation, the Festival of the American West and other special events.

The Smith Spectrum was dedicated on Dec. 1, 1970, prior to a 95-89 victory against Ohio State. Over the past 10 years, the Spectrum has taken on a new look as a new state-of-the-art scoreboard, sound system and additional lights were installed prior to the 2002 season, to go along with new scorer's tables that were added prior to the 2001 season. In the summer of 2009, renovations to the existing men's and women's basketball locker rooms were made, along with the creation of a new student-athlete lounge and study area. Dressing rooms for four teams are available. The playing floor, which was replaced in the summer of 2004, is permanent and constructed of maple hardwood on a cushion, over concrete. In the summer of 2012, a new updated state-of-the-art video board, scoreboard and scorers tables were installed, along with the resurfacing of the playing floor with the new logo, and in the summer of 2015 the court was again resurfaced and re-painted with a larger U-State logo at center court.

The arena is named for Brigham City native Dee Glen Smith, who built one of America's largest grocery store chains and was a substantial supporter of Utah State University. Smith died in 1984.

SPECTRUM MAGIC

Utah State teams were nicknamed "Big Blue" (pictured above) by The Logan Herald Journal as early as 1916, an apparent reference to the Blue Ox of Paul Bunyan lore.

GREAT FAN SUPPORT

Last year, Utah State led the Mountain West in home attendance as the Aggies won double-digit home games for the 27th-straight season. Utah State averaged close to 20,000 fans with the COVID-19 pandemic limiting the number of fans in the venue.

HOME COURT ADVANTAGE

Playing in the Dee Glen Smith Spectrum is definitely an advantage for the Aggies. Since 2000, Utah State teams have won more than 85 percent of its home games (305-49). The Aggies have a 612-144 (.810) all-time record in the facility.

Utah State has gone unbeaten six times in the Spectrum's 50-year history.

The Aggies have won 305 of their last 354 games (.862) in the Spectrum, dating back to the 2000 season, including 155 of their last 188 (.824) home games against league competition over the same span.

Utah State had a school-record streak of 37 straight victories in the Spectrum, spanning the 2007-08 to 2011-12 seasons. Overall, USU has had a winning record at home for 38 consecutive seasons.

During the 2021-22 season, Utah State will play 15 games in the Dee Glen Smith Spectrum. Home game highlights include match-ups with UC Davis, UT Arlington, Carroll College, Saint Mary's, New Orleans and Portland State. The Aggies will also host home league games against San José State, Boise State, Wyoming, San Diego State, Air Force, UNLV, Nevada, New Mexico and Colorado State.

Utah State's fans were recently recognized by bleacherreport.com as the only honorable mention selection to its top five best college fanbases behind Kansas, Indiana, Kentucky, Duke and Syracuse.

A COMMITMENT TO ACADEMICS

ACADEMIC SUCCESS

The staff with student-athlete services provide all the necessary tools and resources for student-athletes to be academically successful. This includes academic tutoring & mentoring, learning skills assessments and strategies, course management assistance, degree program advisement and career development.

The office also administers USU's NCAA Student-Athlete Affairs program and coordinates Aggie Ambassadors, Utah State's student-athlete outreach program.

Utah State leads the Mountain West with a 93-percent graduation rate and led every Division I school in the nation with seven members of the team named to the National Association of Basketball Coaches' honors court.

The Dr. Randall and Julianne Stockham Student-Athlete Academic Hall of Honor opened in September of 2010. Inside the Stockham Student-Athlete Academic Hall of Honor are four permanent displays to feature CoSIDA Academic All-Americans, Joe E. and Elma Whitesides Scholar-Athlete Award winners, current academic all-Mountain West honorees and current Aggie Athletics Endowed Scholarships donors and recipients.

In its eight years in the league, Utah State student-athletes led the Western Athletic Conference with an 84 percent graduation rate, while maintaining over a 3.19 cumulative grade-point average. During the 2013-14 academic year, Utah State had 242 student-athletes recognized for academic excellence in the Mountain West to take second in the league. The number increased in 2014-15, when Utah State was recognized with 250 student-athletes named to academic awards. In 2015-16, the number increased to 273 student-athletes, second in the MW. Overall, USU has led its conference 16 times in the last 21 years. Last season, Utah State student-athletes were recognized with 460 total academic honors, including 283 academic all-Mountain West recognitions and 177 Mountain West Scholar-Athletes accolades. In addition to the Mountain West honors, 16 Utah State gymnasts were recognized as academic all-Mountain Rim Gymnastics Conference.

BASKETBALL FACILITIES AND SUPPORT

During the summer of 2009, Utah State's locker room was completely remodeled as new state-of-the-art lockers were installed. A student-ath-lete lounge was also created within the locker room that has three flat-screen high-definition televisions equipped with Wii and XBox capabilities. A full-size refrigerator that is stocked daily with weight-gaining supplements is also located within the lounge, along with leather couches and a wireless work-station with computers. A cold pool was also installed inside the locker room to help enhance players' muscle recovery.

Completed in June, 2013, Utah State's \$6.5 million, 26,329 square-foot iFIT Sports Performance Center features areas for weight training, cardiovascular workouts and speed and agility training, as well as offices for staff. Built on existing university property at the northwest corner of Maverik Stadium, the state-of-the-art multi-level facility alleviated overcrowding in the previous 5,800 square-foot strength and conditioning center and accommodates almost 400 student-athletes from 16 sports programs.

The iFIT Sports Performance Center is the largest such facility in the Mountain West and rivals any strength and conditioning complex in the country. Of the schools Utah State competes against in the MW, Fresno State currently has the second-largest strength and conditioning center(s) at 12,500 square feet, followed by Air Force (12,000 sq. ft.), Boise State (12,000 sq. ft.), Wyoming (11,100 sq. ft.), Hawai'i (10,000 sq. ft.), New Mexico (10,000 sq. ft.), Colorado State (10,000 sq. ft.) and Nevada (8,000 sq. ft.).

The Wayne Estes Center is a \$9.5 million, 32,000 square-foot basketball practice facility and volleyball competition venue that opened in April, 2014. The facility contains a regulation size competition court with chair back seating for 1,400 fans, along with a training room and in-season strength and conditioning area. Office space for both men's and women's basketball and volleyball is included in the new facility, as well as a locker room and film room for volleyball. Ticketing and concession services are available on game days. Located inside the foyer of the Wayne Estes Center is a visual tribute of the building's namesake.

The facility was made possible following a lead gift of \$5.25 million from Jim and Carol Laub (the largest single gift in the history of Aggie Athletics) and a \$1.3 million gift from Blake Kirby. All funding for this new facility came from private donations.

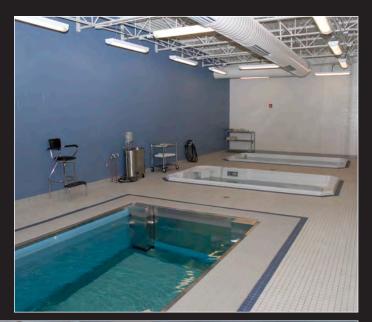

LAUB ATHLETICS-ACADEMIC COMPLEX

The Dale Mildenberger Sports Medicine Complex and the Dr. John Worley Sports Medicine Research Center is one of the finest in the nation with over 11,000 square feet to provide maximum service to Utah State's 16 intercollegiate sports and 375-plus student-athletes. Among the many amenities are 24 treatment tables, a 2,000 square foot physical therapy and rehabilitation center, and three hydroworx therapy pools for non-weight or partial weight-bearing rehabilitation to enhance recovery. The Sports Medicine Complex also houses office space for four full-time staff members and 12 graduate assistants, a team physician examination room and physical therapy office.

With the addition of the new facilities and the continued cooperation between Utah State Athletics, Intermountain HealthCare and HPER/Exercise Science, Utah State University is becoming one of the foremost sports medicine research institutions in the intermountain west.

LAUB ATHLETICS-ACADEMIC COMPLEX

The third floor of the Jim and Carol Laub Athletics-Academics Complex houses the academic center for student-athletes. This center consists of a 24-unit computer center, a spacious study center, and several individual one-on-one tutor rooms. Additionally, there are three smaller classrooms that can be used for group study sessions, group tutoring, tutor meetings, and general meeting and study needs. Two of the classrooms can be opened to create one larger classroom. All classrooms have television monitors installed and have data connectivity for PowerPoint, Internet and other useful presentations. The study center is completely wireless for student-athletes to connect to the Internet anywhere in the facility, but also has sub-floor electrical and data connections throughout. The student-athlete services staff are also housed within the academic center.

Student-Athlete Services is designed to assist student-athletes with academic, vocational and social development. Dr. Brian Evans and his staff provide services including study sessions, tutoring, registration, academic advising and career counseling.

FUELING STATION

The Aggie Fueling Station, located on the bottom floor of the ICON Sports Performance Center, was created prior to the start of the 2016-17 school year by representatives from the nutritional program and athletics, who had a goal of working together to provide student-athletes with the food they need to complement the physical demands of training and nutrition. The fueling station is stocked with appetizing food focused on combining convenience and nutrition. Student-athletes can choose from a variety of fresh fruits and vegetables, cheese, milk, chicken, yogurt, beef jerky, peanut butter, trail mixes and much more. Workers at the fueling station prepare fruits and vegetables, measuring out serving sizes, restock the serving area and plan the daily special. In addition to food preparation, volunteers are on site to answer nutrition questions from student-athletes and give presentations about health and wellness to all 16 of Utah State's sports programs.

STUDENT-ATHLETE TRAINING TABLE

Utah State student-athletes are able to attend a training table three times a week during the fall and spring semesters. The menu for the meal is planned by Utah State nutritionists and the strength & conditioning staff to supplement each student-athlete's nutrition needs and to keep each in top physical condition.

SEASON REVIEW

Coming off three-straight NCAA Tournament appearances, Utah State men's basketball enters the 2021-22 season with a new head coach and 10 newcomers. However, even with all the new blood in the program, the Aggies welcome back a pair of starters and seven letter winners from a season ago and enter the season picked fifth in the Mountain West preseason poll.

Utah State will be led by first-year head coach **Ryan Odom**, who joined the Aggies after five years at the University of Maryland, Baltimore County (UMBC). Odom led the Retrievers of UMBC to a 97-60 (.573) record, including a 50-29 mark in the America East Conference. In the 2018 NCAA Tournament, UMBC became the first-ever 16-seed to win a first-round game as it posted a 74-54 win against top overall seed Virginia. Odom is the only head coach in NCAA Division I men's basketball history to lead a No. 16 seed over the overall No. 1 seed in the NCAA Tournament.

The Aggies also had the top-two scorers from UMBC join Utah State for the upcoming 2021-22 season in senior forward **Brandon Horvath** and senior guard **RJ Eytle-Rock**.

Eytle-Rock was the top scoring threat for the Retrievers in 2020-21, turning in 14.3 points per game and leading the team in assists with 2.5 per contest. As a freshman, Eytle-Rock was named to the America East all-rookie team and appeared in 73 total games for UMBC during his three-year career.

Horvath was the second-leading scorer for UMBC during the 2020-21 season, averaging 13.1 points per game and leading the Retrievers on the glass with 8.7 rebounds per contest. Horvath finished his career at UMBC with 986 total points and earned first-team America East and second-team all-District 1 honors by the NABC during his 2020-21 campaign.

The Aggies also welcome in another transfer in junior guard **Rylan Jones**, who returns to Cache Valley after prepping at Logan High School as a freshman. Jones spent the last two seasons at the University of Utah, where he averaged 7.6 points, 4.3 assists and 2.5 rebounds per game in 45 appearances with the Utes. Jones is one of only three players in the state of Utah to be named the state's Mr. Basketball in back-to-back years and led Olympus High School to a state title during the 2017-18 season.

Travis Wagstaff, a sophomore forward from Snow College, was on that same team with Jones in high school and enters as an immediate scoring threat for the Aggies. Wagstaff finished second in scoring for the Badgers during

the 2020-21 season, averaging 16.2 points per game and turning in double-digits in 18 of Snow College's 22 games during the year.

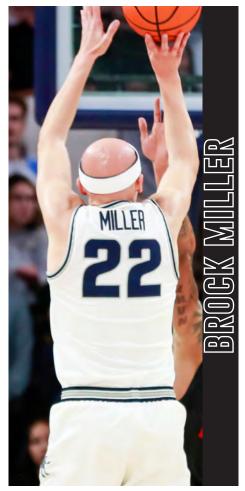

Other new faces for Utah State include freshman forward **Cade Potter** and freshman guard **Landon Brenchley**, who each recently returned from two-year missions for The Church of Jesus Christ of Latter-day Saints in Bogota, Colombia, and Toronto, Canada, respectively.

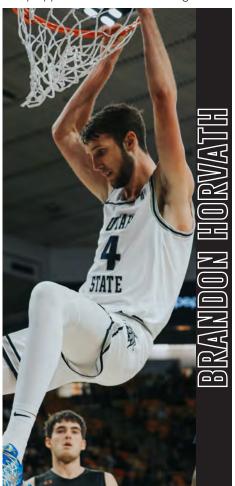

Potter graduated early from Orange Lutheran High School (Orange, California) after appearing in five games as a senior and averaging 10.8 points, 3.6 rebounds, 2.2 assists, 2.0 blocks and 1.0 steals per game.

Brenchley was a three-year varsity starter at Ridgeline High School in Cache Valley, averaging 24.1 points, 8.3 rebounds, 4.9 assists and 2.4 steals per game as a senior. Brenchley earned second-team all-state honors during his final year at Ridgeline and was a starter on the team as a sophomore when the Riverhawks was the Utah state title.

Sophomore guards Conner Gillis and Connor Odom are each one-year removed from college basketball after attending East Carolina and Flagler College (Florida) last year. Gillis prepped at Gaston Christian High School

2021-22 SEASON OUTLOOK

in Gastonia, North Carolina, turning in 12.0 points, 2.8 assists and 2.0 rebounds per game as a senior. Odom is the oldest of two children of USU head coach Ryan Odom and originally signed with the University of Maryland out of high school.

Sophomore forward **Norbert Thelissen** originally signed with the University of Utah last season, but remained in The Netherlands during the COVID-19 pandemic. Thelissen was a member of The Netherlands' national team at the U20 FIBA European Championships, turning in 11.1 points, 4.5 rebounds and 1.1 assists per game.

Freshman **Zee Hamoda** is the first NCAA Division I men's basketball player from Bahrain and spent the last season at Bridgton Academy, a prep school in Maine. Hamoda was a force during the 2018 FIBA Asian Championship Qualifiers for Bahrain, averaging 23.0 points, 13.0 rebounds, 4.4 steals, 3.6 assists and 2.6 blocks per game.

Those newcomers will join seven returning letter winners for Utah State, including returning starters **Justin Bean** and **Brock Miller**.

Bean is a two-time all-MW selection, including second-team honors during the COVID-short-ened 2020-21 campaign, and the top return-

ing scorer (11.4 ppg) and rebounder (7.7 rpg) for the Aggies this season. In fact, Bean is the only returning player in the MW to average 11 or more points, 7.5 or more rebounds, 1.5 or more assists and 1.0 or more steals per game from a season ago. Bean is on pace to become just the third Aggie in school history to finish his career with more than 1,000 career points and 1,000 career rebounds.

Miller has proven to be one of the most prolific 3-point shooters in the MW over the course of his career, attempting 573 shots from long range, while appearing in 101 games. Miller is on track to be the third player on the roster to score more than 1,000 points in his career, totaling 841 during his time in Logan.

Other returners for the Aggies include junior guard **Sean Bairstow**, who has appeared in 57 games over the past two season and carries averages of 3.2 points and 1.4 assists per game.

Junior center **Trevin Dorius** is anticipated to be the rim protector for Utah State, following the departure of **Neemias Queta**, who was drafted in the second round of the 2021 NBA Draft by the Sacramento Kings. Dorius has appeared in 50 games over the last two years, including three starts during his freshman year in 2019-20.

The Aggies also return sophomore center **Szymon Zapala**, who appeared in 13 games a season ago and pulled down 75 percent of his rebounds on the offensive glass.

Sophomore guards **Steven Ashworth** and **Max Shulga** are, perhaps, the most seasoned returners as the duo played more games than any other returning freshmen from the 2020-21 season.

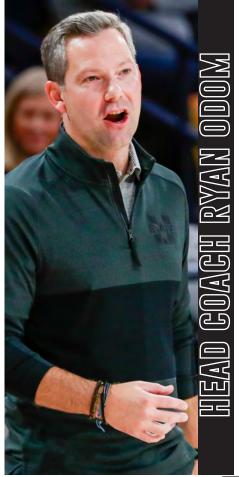

Ashworth played in all 29 games a season ago and started in two, scoring in double figures in eight games, including a season-high 17 points against San Diego State in Utah State's 64-59 victory over the Aztecs in Logan.

Shulga appeared in 23 games during his freshman campaign, scoring 1.6 points and adding 1.8 rebounds in 6.8 minutes per game.

Sophomore forward **Matthew Wickizer** played in nine games during the 2020-21 season and was an important part of the scout team.

Utah State opens the season on Nov. 9, hosting UC Davis in the first of 15 home games inside the Dee Glen Smith Spectrum in 2021-22. Over the last three years, USU has gone 39-4 at home and led the league in home attendance last season.

MOUNTAIN WEST

THIS IS THE MOUNTAIN WEST

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship. Now in its 19th year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements during its first 18 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system, and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the new College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Broncos defeated then 10th-ranked Arizona 38-30 in the VIZIO Fiesta Bowl. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

Changes in the NCAA governance structure set the table for another Conference first, when two members of the MW Student-Athlete Advisory Committee (SAAC) were included in the June 2014 meeting of the Mountain West Board of Directors. New Mexico track and field athlete Kendall Spencer, the national chair of the 2014-15 NCAA Division I Student-Athlete Advisory Committee, and Air Force Academy volleyball player Emma Dridge joined the BOD members in this historic meeting to advance the discussion on student-athlete involvement in the NCAA and MW governance structure. During the last three academic years, MW student-athletes participated on monthly membership calls and have joined MW administrators in the annual Joint Council Spring Meetings in Arizona.

The Mountain West is well-represented within the new NCAA governance structure, including individuals who were appointed to serve on committees tasked with managing the day-to-day business of Division I athletics. Colorado State President Tony Frank currently sits on the DI Board of Directors, while MW Commissioner Craig Thompson and Fresno State

Faculty Athletics Representative Dawn Lewis are members of the DI Council. Kendall Spencer, the former chair of the DI Student-Athlete Advisory Committee and UNM track & field athlete, was the first student-athlete in the history of the organization to serve on the Division I Board.

Additionally, the Mountain West was the first conference to have a member institution with No. 1 overall picks in both the NFL and NBA drafts in the same year (Utah's Alex Smith and Andrew Bogut, respectively in 2005). With UNLV's Anthony Bennett claiming the No. 1 pick in the 2013 NBA Draft, the Mountain West is one of three conferences to have multiple No. 1 NBA draft selections since 2000. Also, with San Diego State's Stephen Strasburg earning the No. 1 pick in the 2009 MLB Draft, the Mountain West is one of two conferences to have the No. 1 selection in each of the NFL, NBA and MLB drafts since the MW was founded in 1999.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet - the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San Jose State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean, while the addition of the women's soccer program at Colorado College gives the MW an additional presence in the Rocky Mountains.

HISTORY

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were

longtime members as well LINIV and TCU entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU re-joined the group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014. the Colorado College women's soccer program became the first non-football affiliate member of the Mountain West, expanding that sport to 12 Conference participants.

When the Mountain West officially began operations on July 1, 1999, the new league had in place a seven-year contract with ESPN, giving the broadcast entity exclusive national television rights to MW football and men's basketball, and three-year agreements to send the league's football champion to the Liberty Bowl and a second team to the Las Vegas Bowl. Commissioner Thompson also arranged a third bowl tiein each of the first three seasons (1999 Motor City, 2000 Silicon Valley, 2001 New Orleans) before securing a four-year deal with the Emerald Bowl in San Francisco in 2002.

Entering the 2017 season, the MW has agreements with seven (7) different bowl games that will generate at least five (5) guaranteed postseason opportunities for its member institutions. These include primary positions with the Famous Idaho Potato Bowl, Gildan New Mexico Bowl, NOVA® Home Loans Arizona Bowl, Las Vegas Bowl, and Hawai'i Bowl - and secondary positions with the Ticket City Cactus Bowl and the Foster Farms Bowl.

An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in seven inaugural bowl games (2000 Silicon Valley, 2001 New Orleans, 2002 San Francisco (Emerald), 2005 Poinsettia, 2006 New Mexico, 2015 Arizona, 2015 Cure), as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

RESIDENT NOELLE E. COCKETT

NOELLE E. COCKETT

University President

Noelle E. Cockett was appointed as Utah State University's 16th President in October 2016, beginning her official tenure in January 2017. She is USU's first female president and the only female president with Utah's higher education system.

Since becoming president, Cockett has worked to improve the mission and vision of the university where the outstanding scholars, educators, and students, collectively embody a tradition of greatness.

It is a great time to be an Aggie. In national rankings, the university continues to gain ground. Utah State University was ranked as the No. 5 public university in the nation in "National Universities Rankings 2018" by Washington Monthly and is the No. 2 highest-ranked public university in the nation with lowest tuition in "America's Best Value Colleges" by Forbes. The university's award-winning faculty continue to receive accolades. In March 2018, physics professor David Peak was named as a 2018 recipient of the National Council on Undergraduate Research-Goldwater Scholars Faculty Mentor Award.

And the university's facilities continue to astound thanks, in part, to many Utah State University alumni and friends who are so generous in their support of the institution. In May 2018, the university celebrated the opening for the Sorenson Legacy Foundation Center for Clinical Excellence on the north side of campus and the Life Sciences Building was dedicated in spring 2019.

Prior to being named Utah State's President, Cockett was serving as Executive Vice President and Provost at USU and has held that position since 2013. Prior to that, she served USU as Vice President for Extension from 2006 to 2013; Dean of the College of Agriculture and Applied Sciences from 2002 to 2013; and Director of the Utah Agriculture Experiment Station from 2009 to 2013.

Cockett has built a distinguished career in sheep genomics research, maintaining an active research program even while serving in various leadership positions at Utah State University. Her research program has centered on the identification of genetic markers associated with economically important traits in sheep, as well as the development of resources that advance research on the sheep genome. Cockett and her colleagues published an article describing the sheep genome sequence in Science in 2014. Her current project focuses on the identification of genetic regions associated with entropion in newborn lambs. Cockett has served as the United States coordinator for sheep genome mapping since 1993 and is an active member of the International Sheep Genomics Consortium.

As an active researcher, Cockett has received many awards and

accolades throughout her career including a Young Scientist Award from the Western Section of the American Society of Animal Science (ASAS), the Utah Governor's Medal for Science and Technology (2004 and 2015) and one of USU's top honors, the D. Wynne Thorne Research

After receiving her master's and doctorate in animal breeding and genetics from Oregon State University in 1983 and 1985, respectively, Cockett spent five years as a research geneticist at the United States Department of Agriculture, Agriculture Research Service U.S. Meat Animal Research Center in Clay Center, Nebraska. She joined Utah State University in 1990 as a researcher and assistant professor in the Department of Animal, Dairy and Veterinary Sciences in the College of Agriculture and Applied Sciences.

Cockett, who earned her bachelor's degree from Montana State in animal science in 1980, grew up on a beef cattle ranch in eastern Montana and is married to John Cockett, Director of Technology in USU's Emma Eccles Jones College of Education and Human Services. Noelle and John have two children, Dylan and Chantelle.

VP/AD JOHN HARTWELL

JOHN HARTWELL

University Vice President/ Director of Athletics

Since being named Vice President and Director of Athletics at Utah State on June 2, 2015, John Hartwell has cast his vision for Aggie Athletics, which embodies maximum effort academically, athletically and socially to ensure success in both the classroom and on the fields of competition.

Under Hartwell's leadership, Utah State Athletics has seen unparalleled success, led by a men's basketball program that has posted a 74-24 record the past three years, won consecutive Mountain West Tournament titles in 2019 and 2020, and qualifying for the NCAA Tournament in each of the last three years. In all, USU has claimed five Mountain West regular season championships and four more postseason titles during Hartwell's tenure, while five coaches have been named its Conference Coach of the Year.

All of Utah State's recent successes has been noticed nationally as well, as Stadium Network listed Hartwell as the 18th-best Athletics Director in the nation, including the fourth-best non-Power 5 AD, in June of 2020.

Hartwell has focused his time on maximizing and increasing the department's revenue streams, along with planning for future facility renovations to both Maverik Stadium and the Dee Glen Smith Spectrum.

In his time at Utah State, Hartwell has rebranded the fundraising arm of the athletics department with the creation of Aggies Unlimited, which puts all giving under one umbrella.

Utah State also entered into a new partnership with the Larry H. Miller Sports & Entertainment Group to be its flagship radio station for Aggie Athletics, which gives USU additional advertising opportunities throughout Cache Valley and the Wasatch Front, in addition to more control over each broadcast.

And, Hartwell's strong business background has also proved to be valuable at Utah State as he negotiated a new footwear and apparel deal with Nike in 2020.

During his Utah State tenure, Hartwell has overseen the completion of the \$36 million, 85,000-square foot West Stadium Center on the west side of Maverik Stadium, which includes 24 luxury suites, 20 loge boxes, over 700 covered club seats and a premium club area that is also used to host a student-athlete training table. Renovations also included new video boards on both the north and south ends of the stadium, along with a new public address system, while major concourse work significantly increased restrooms and upgraded concessions.

During the COVID-19 shortened 2020-21 academic year, Utah State men's basketball received the program's third-ever at-large birth to the NCAA Tournament after finishing second in the Mountain West during the regular season and advancing to the championship game of its conference tournament for the third-straight year. Furthermore, USU's men's cross country team advanced to the NCAA Championships for the third time in the past four seasons, its first three appearances in school history, and finished 11th

nationally for its best-ever national finish. And its gymnastics program qualified for NCAA Regionals for the first time since 2017 as it tied for third and finished the year ranked 22nd in the nation.

Even more impressive is Utah State's continued successes by its student-athletes in the classroom as they have a 93 percent graduation success rate, which is the highest in the Mountain West, and acumulative 3.38 grade-point average, the highest in the history of USU athletics. During the 2020-2021 academic year, USU had 283 student-athletes earn academic all-MW honors, while 177 were named MW Scholar-Athletes. Additionally, USU recognized 261 student-athletes at its annual Joe E. and Elma Whitesides Luncheon for earning a 3.2 or better GPA.

In 2019-20, Utah State men's basketball won its second-straight Mountain West Tournament title, while the USU men's cross country team won its first-ever MW Championship, followed by a 16th-place finish at the NCAA National Championships. Furthermore, Aggie football played in its eighth bowl game since 2011 and Aggie gymnastics notched its first winning season since 1999, which included a pair of victories against top-20 opponents, as it finished the year ranked 29th in the nation. In all, the 2019-20 academic year marked just the fourth time in school history that football advanced to a bowl game and men's basketball qualified for the NCAA Tournament, including for the first time in back-to-back years. Additionally, head men's cross country coach Artie Gulden and head gymnastics coach Amy Smith were named their conference's Coach of the Year, both of which are Hartwell hires.

The 2018-19 Utah State academic year saw both its football and men's basketball teams nationally ranked as USU was one of just five institutions to have both programs ranked in the final Associated Press polls. Collectively, USU produced a combined 39-9 record between football (11-2) and men's basketball (28-7), which is a single-season school record. That 39-9 mark was also tied for the fourth-best winning percentage and seventh-most wins nationally. Furthermore, football tied the school record for wins with its 11-2 record, while men's basketball went 28-7 to tie for the third-most victories in program history.

Furthermore, first-year head coach Craig Smith, who Hartwell hired, led Utah State's men's basketball program to its first-ever Mountain West regular season title and tournament championship after entering the season picked ninth in the preseason polls. Additionally, the football program was picked to finish fourth in the Mountain Division of the Mountain West, but posted a 7-1 league mark to tie for first in the division. At season's end, both program's head coaches were named Mountain West Coach of the Year.

Not to be outdone, the 2017-18 academic year was arguably the best in school history under Hartwell as Aggie Athletics ranked 78th nationally in the Learfield Director's Cup Standings, which is by far the best finish for USU in the Cup's 25 years, while its 375-plus student-athletes achieved a then-school-record 3.25 grade-point average.

In 2017-18, Utah State's men's tennis program won its third-straight Mountain West regular season championship and advanced to the NCAA Tournament for the second time in as many years. In fact, men's tennis won the school's first Mountain West regular season (2016) and tournament championships (2017) since joining the Conference in 2013 and finished the 2017 campaign with a school-record 23 wins and a final national ranking of No. 45.

Additionally, Utah State's track & field/cross country teams had their best seasons in school history in 2017-18, highlighted by the men's programs finishing the year ranked 10th nationally by the U.S. Track & Field and Cross Country Coaches Association. During the 2017-18 seasons, the Aggie men placed 27th in their first-ever appearance in the NCAA Cross Country Championships, followed by a 28th-place finish at the NCAA Indoor Championships, as its student-

athletes combined to garner 12 All-America honors. On the women's side, USU's cross country program finished 14th in its first-ever appearance at the NCAA Championships, while its student-athletes combined to garner three All-America honors.

Agaie football also excelled during the 2017-18 academic year, playing in its sixth bowl game in the past seven seasons. Utah State's softball program finished the 2017 campaign with a 33-18 record, including a 14-9 Mountain West mark, and advanced to the National Softball Invitational, marking the program's first postseason appearance since 1993. In fact, those 33 overall wins and 14 league victories are its most since 1996, as USU finished the 2017 season tied for third place in the league.

Hartwell came to Utah State after spending three years as the Athletics Director at Troy, where he laid the groundwork for the future of Trojan Athletics by spearheading several significant upgrades to its athletic facilities, including the addition of a new \$2 million practice facility for the golf teams, a \$3 million renovation and expansion of the softball facility and a \$2.1 million improvement to Veterans Memorial Stadium, while also securing funding for lights to be installed at the soccer and track complex. Hartwell also unveiled the North End Zone Project for Veterans Memorial Stadium, a \$25 million project that will be the new home for Trojan football.

Troy's athletics programs have also seen vast improvement on the fields of play due to Hartwell's leadership and oversight, including the football program posting a 31-8 record during its last three seasons under Neal Brown, who Hartwell hired, not to mention the Trojans being the first Sun Belt Conference team to ever appear in either the Associated Press or Coaches Poll. Men's basketball won the 2017 Sun Belt Conference Tournament and advanced to its first NCAA Tournament since 2003, while the women's basketball program won back-to-back Sun Belt Tournament championships and appeared in two-straight NCAA Tournaments in 2017 and 2018. Troy's

programs have also excelled as the women's program has won three of the past five Sun Belt titles, while men's golf advanced to three-straight NCAA Regionals from 2016-18. Another Hartwell hire, Mark Smartt, led Troy baseball to a 42-win season and an at-large NCAA bid in 2018.

Under Hartwell, Troy Athletics saw a significant enhancement in fundraising and external relations as he completely overhauled Troy's External Affairs division of the Athletics Department to increase revenues and enhance the fan and game day experience. Part of the makeover was the creation of a new external model, which included the addition of a Senior Associate Athletic Director for External Affairs; bringing corporate sponsorships in house with a partnership with Rockbridge Sports Group; and the development of the Troy Affinity Program to further engage Troy students in athletics.

Hartwell's tenure at Trov also saw a record number of student-athletes earn a 3.0 grade-point-average, an upward trend in APR scores and additional staff positions in Troy's academic support department.

During the 2014-15 academic year, Troy student-athletes finished with a 3.01 cumulative grade-point-average and over 57 percent of Troy's studentathletes had a 3.0 GPA or higher.

At Troy, Hartwell served on the NCAA Division I Basketball Issues Committee, the Division I-A Board of Trustees Executive Committee, and the NCAA Division I Council as the Sun Belt Conference representative. He has also been an instructor at the Division I-A Institute for aspiring athletic directors.

Prior to being the Director of Athletics at Troy, Hartwell spent nine-plus years at the University of Mississippi, where he was the Senior Executive Associate Athletics Director, serving as the number two administrator in athletics.

Hartwell served as the Treasurer and Chief Operating Officer of the Mississippi Athletic Association Foundation, a 501 (c)(3) organization that generated over \$17 million annually for the Ole Miss Athletics Department through priority seating and major gifts.

He was responsible for the day-to-day administrative oversight of the football, men's basketball and baseball programs, along with sport oversight of the softball and men's and women's track & field and cross country programs. Hartwell also oversaw the Rebels' business office, ticket office, equipment room, merchandise sales, concessions and football scheduling. Hartwell scheduled several marquee football games for the Rebels, including a home-and-home series with Texas that began in 2012.

Hartwell managed the growth of the Ole Miss athletic budget from \$26 million in the 2003 fiscal year to over \$47 million in the 2012 fiscal year. He also chaired the search to hire men's basketball head coach Andy Kennedy in 2006. He was heavily involved in negotiations that increased revenues with contracts for apparel and footwear (Nike), merchandise sales (Sports Avenue/LIDS), concessions (Centerplate), wireless provider (C Spire) and video boards (Daktronics). He served on the Southeastern Conference Ticket Committee and started the annual SEC Chief Financial Officers Forum.

A 1987 graduate of The Citadel, the 56-year old Hartwell spent four-plus years as a certified public accountant with Ernst & Young before returning to his alma mater to serve as the Director of Internal Audit in 1991. From 1994 to 1997, he was in private business as the Chief Financial Officer for a \$36 million beverage distributor on the South Carolina coast.

Hartwell's direct experience in athletics administration began as the Assistant Athletics Director for Business at Georgia State in 1997. He was promoted to Associate Athletics Director for Internal Affairs in 1999, and his responsibilities expanded to include sport supervision for baseball, men's and women's golf, men's and women's track & field and cross country. He also had oversight over the Panthers' athletic facilities and game management in addition to his previous responsibilities of all financial aspects of the department. While at Georgia State, Hartwell earned a master's degree in sports administration.

Athletics has always been a big part of Hartwell's life, starting in high school where he was an all-state basketball selection at UMSWright in Mobile, Alabama. Hartwell went on to play collegiately at The Citadel, where he was a three-year starter, a four-year letterman and captain of the team as a senior in 1987.

Hartwell is married to Dr. Heather Seale Hartwell, and they have two daughters, Lauren (12) and Madison (9). Hartwell also has a 29-vear old son, Hunter and daughter-in-law Caroline.
