UTAH STATE GAME DAY

GAME DAY ATMOSPHERE

GAME DAY ATMOSPHERE

DEE GLEN SMITH SPECTRUM

The Aggies begin their 55th season in the 10,270-seat Dee Glen Smith Spectrum this fall, looking to continue a tradition of large crowds and home court wins.

Utah State has had just one losing season at home in over half a century of play in the Spectrum. The Aggies have compiled a 649-154 (.808) record in 54 years, including a perfect 14-0 mark in 1973-74, 15-0 records in 1997-98 and 2000-01, and 17-0 records in 2007-08, 2008-09 and 2010-11. Over the last six seasons, Utah State has gone 87-18 at home, marking the second-best home record among every school in the Mountain West. The Aggies have recorded double-digit wins inside the Dee Glen Smith Spectrum in 29 of the last 30 seasons. Since 2000, Utah State has posted a 176-39 (.819) record against league opponents and has won 342 of its last 387 games (.884) against all competition in the Spectrum.

Large crowds are another characteristic of the arena, as the Aggies have averaged better than 7,000 fans per game in 46 of their 54 seasons in the Spectrum. Over six million fans have attended Aggie basketball games in the Spectrum. A school-record 184,932 fans attended home games during the 2011-12 season.

The impressive facility has helped bring various postseason events to Logan, including first-round National Invitation Tournament games in 1984, 1996, 2002 and 2004. In addition, the Spectrum played host to a 1971 NCAA Tournament game.

The Aggie gymnastics and women's basketball teams call the Spectrum home, as well. The Spectrum was the site of the 1983, 1993 and 1999 NCAA Midwest Region Gymnastics Championships, and hosted the 2000 Big West Gymnastics Championships, the 2002 Western Gymnastics Championships, the 2005 and 2012 WAC Championships and the 2017 MRGC Championships. In addition to sporting events, the Spectrum is utilized for concerts, graduation, the Festival of the American West and other special events.

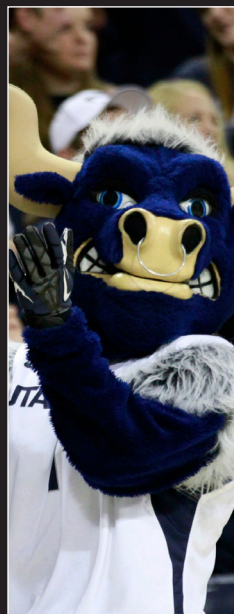

The Smith Spectrum was dedicated on Dec. 1, 1970, prior to a 95-89 victory against Ohio State. Over the past 10 years, the Spectrum has taken on a new look as a new state-of-the-art scoreboard, sound system and additional lights were installed prior to the 2002 season, to go along with new scorer's tables that were added prior to the 2001 season. In the summer of 2009, renovations to the existing men's and women's basketball locker rooms were made, along with the creation of a new student-athlete lounge and study area. Dressing rooms for four teams are available. The playing floor, which was replaced in the summer of 2004, is permanent and constructed of maple hardwood on a cushion, over concrete. In the summer of 2012, a new updated state-of-the-art video board, scoreboard and scorers tables were installed, along with the resurfacing of the playing floor with the new logo, and in the summer of 2015 the court was again resurfaced and re-painted with a larger U-State logo at center court.

The arena is named for Brigham City native Dee Glen Smith, who built one of America's largest grocery store chains and was a substantial supporter of Utah State University. Smith died in 1984.

SPECTRUM MAGIC

Utah State teams were nicknamed "Big Blue" (pictured above) by *The Logan Herald Journal* as early as 1916, an apparent reference to the Blue Ox of Paul Bunyan lore.

GREAT FAN SUPPORT

In the 2023-24 season, Utah State ranked top 50 in the nation in home attendance as the Aggies won double-digit home games for the 29th time in the past 30 seasons. Utah State averaged 8,483 and went 14-1 at home.

HOME COURT ADVANTAGE

Playing in the Dee Glen Smith Spectrum is definitely an advantage for the Aggies. Since 2000, Utah State teams have won 85 percent of its home games (342-59). The Aggies have a 649-154 (.808) all-time record in the facility.

Utah State has gone unbeaten six times in the Spectrum's 52-year history.

The Aggies have won 342 of their last 401 games (.850) in the Spectrum, dating back to the 2000 season, including 180 of their last 223 (.808) home games against league competition over the same span.

Utah State had a school-record streak of 37-straight victories in the Spectrum, spanning the 2007-08 to 2011-12 seasons. Overall, USU has had a winning record at home for 39 consecutive seasons.

During the 2024-25 season, Utah State will play 17 games in the Dee Glen Smith Spectrum. Home game highlights include matchups with Alcorn State, Charlotte, Westminster, Montana, Utah Tech, South Florida and UC San Diego. The Aggies will also host home league games against all 10 Mountain West opponents.

Utah State's fans were recently recognized by *bleacherreport.com* as the only honorable mention selection to its top five best college fanbases behind Kansas, Indiana, Kentucky, Duke and Syracuse.

A COMMITMENT TO ACADEMICS

ACADEMIC SUCCESS

The staff with student-athlete services provide all the necessary tools and resources for student-athletes to be academically successful. This includes academic tutoring & mentoring, learning skills assessments and strategies, course management assistance, degree program advisement and career development.

The office also administers USU's NCAA Student-Athlete Affairs program and coordinates Aggie Ambassadors, Utah State's student-athlete outreach program.

Utah State leads the Mountain West with a 93-percent graduation rate and led every Division I school in the nation with seven members of the team named to the National Association of Basketball Coaches' honors court.

The Dr. Randall and Julianne Stockham Student-Athlete Academic Hall of Honor opened in September of 2010. Inside the Stockham Student-Athlete Academic Hall of Honor are four permanent displays to feature CoSIDA Academic All-Americans, Joe E. and Elma Whitesides Scholar-Athlete Award winners, current academic all-Mountain West honorees and current Aggie Athletics Endowed Scholarships donors and recipients.

During the 2023-24 academic year, Utah State had 249 student-athletes receive academic all-Mountain West honors, while 191 were named Mountain West Scholar-Athletes. Utah State's student-athletes traditionally rank among the best in the Mountain West with a 90 percent graduation success rate and a cumulative 3.38 grade-point average. Additionally, Utah State's athletics department recognized 245 student-athletes for achieving a 3.2 grade point average at the annual Joe E. and Elma Whitesides Scholar-Athlete Luncheon. To be eligible for the honor, student-athletes must have a cumulative 3.2 grade point average or have posted a 3.2 GPA during the last two semesters. In all, approximately 63 percent of USU's student-athletes earned a 3.2 GPA to qualify for the awards.

BASKETBALL FACILITIES AND SUPPORT

During the summer of 2009, Utah State's locker room was completely remodeled as new state-of-the-art lockers were installed. A student-athlete lounge was also created within the locker room that has three flat-screen high-definition televisions equipped with Wii and Xbox capabilities. A full-size refrigerator that is stocked daily with weight-gaining supplements is also located within the lounge, along with leather couches and a wireless work-station with computers. A cold pool was also installed inside the locker room to help enhance players' muscle recovery.

Completed in June, 2013, Utah State's \$6.5 million, 26,329 square-foot iFIT Sports Performance Center features areas for weight training, cardiovascular workouts and speed and agility training, as well as offices for staff. Built on existing university property at the northwest corner of Maverik Stadium, the state-of-the-art multi-level facility alleviated overcrowding in the previous 5,800 square-foot strength and conditioning center and accommodates almost 400 student-athletes from 16 sports programs.

The iFIT Sports Performance Center is the largest such facility in the Mountain West and rivals any strength and conditioning complex in the country. Of the schools Utah State competes against in the MW, Fresno State currently has the second-largest strength and conditioning center(s) at 12,500 square feet, followed by Air Force (12,000 sq. ft.), Boise State (12,000 sq. ft.), Wyoming (11,100 sq. ft.), Hawai'i (10,000 sq. ft.), New Mexico (10,000 sq. ft.), Colorado State (10,000 sq. ft.), San José State (10,000 sq. ft.), UNLV (8,200 sq. ft.) and Nevada (8,000 sq. ft.).

The Wayne Estes Center is a \$9.5 million, 32,000 square-foot basketball practice facility and volleyball competition venue that opened in April, 2014. The facility contains a regulation size competition court with chair back seating for 1,400 fans, along with a training room and in-season strength and conditioning area. Office space for both men's and women's basketball and volleyball is included in the new facility, as well as a locker room and film room for volleyball. Ticketing and concession services are available on game days. Located inside the foyer of the Wayne Estes Center is a visual tribute of the building's namesake.

The facility was made possible following a lead gift of \$5.25 million from Jim and Carol Laub (the largest single gift in the history of Aggie Athletics) and a \$1.3 million gift from Blake Kirby. All funding for this new facility came from private donations.

LAUB ATHLETICS-ACADEMIC COMPLEX

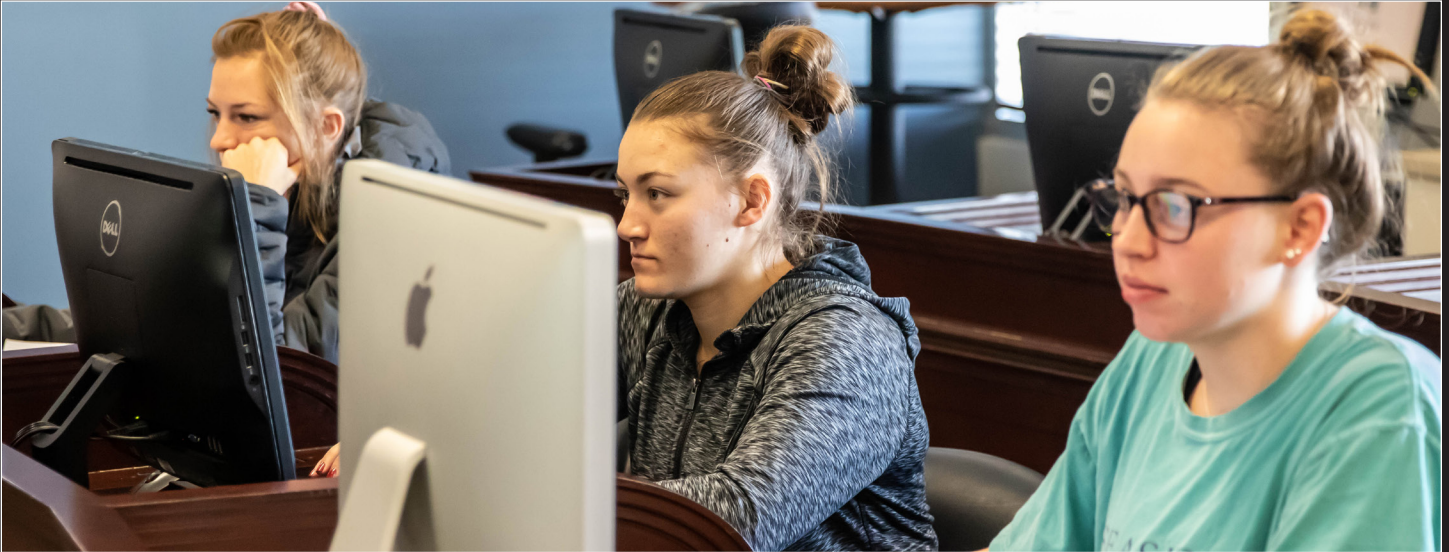

The Dale Mildenberger Sports Medicine Complex and the Dr. John Worley Sports Medicine Research Center is one of the finest in the nation with over 11,000 square feet to provide maximum service to Utah State's 16 intercollegiate sports and 375-plus student-athletes. Among the many amenities are 24 treatment tables, a 2,000 square foot physical therapy and rehabilitation center, and three hydroworx therapy pools for non-weight or partial weight-bearing rehabilitation to enhance recovery. The Sports Medicine Complex also houses office space for four full-time staff members and 12 graduate assistants, a team physician examination room and physical therapy office.

With the addition of the new facilities and the continued cooperation between Utah State Athletics, Intermountain HealthCare and HPER/Exercise Science, Utah State University is becoming one of the foremost sports medicine research institutions in the Intermountain West.

LAUB ATHLETICS-ACADEMIC COMPLEX

The third floor of the Jim and Carol Laub Athletics-Academics Complex houses the academic center for student-athletes. This center consists of a 24-unit computer center, a spacious study center, and several individual one-on-one tutor rooms. Additionally, there are three smaller classrooms that can be used for group study sessions, group tutoring, tutor meetings, and general meeting and study needs. Two of the classrooms can be opened to create one larger classroom. All classrooms have television monitors installed and have data connectivity for PowerPoint, Internet and other useful presentations. The study center is completely wireless for student-athletes to connect to the Internet anywhere in the facility, but also has sub-floor electrical and data connections throughout. The student-athlete services staff are also housed within the academic center.

Student-Athlete Services is designed to assist student-athletes with academic, vocational and social development. Dr. Brian Evans and his staff provide services including study sessions, tutoring, registration, academic advising and career counseling.

FUELING STATION

The Aggie Fueling Station, located on the bottom floor of the ICON Sports Performance Center, was created prior to the start of the 2016-17 school year by representatives from the nutritional program and athletics, who had a goal of working together to provide student-athletes with the food they need to complement the physical demands of training and nutrition. The fueling station is stocked with appetizing food focused on combining convenience and nutrition. Student-athletes can choose from a variety of fresh fruits and vegetables, cheese, milk, chicken, yogurt, beef jerky, peanut butter, trail mixes and much more. Workers at the fueling station prepare fruits and vegetables, measuring out serving sizes, restock the serving area and plan the daily special. In addition to food preparation, volunteers are on site to answer nutrition questions from student-athletes and give presentations about health and wellness to all 16 of Utah State's sports programs.

The Cache Valley, a fertile green valley with lakes and streams, is surrounded by the Wellsville Mountains on the west and the Bear River Range on the east. Just east of Logan is the Wasatch-Cache National Forest, accessed by Logan Canyon Scenic Byway (Hwy. 89). Logan Canyon is filled with geological wonders, including vertical rock formations, caves and wind tunnels. Thirty minutes from Logan, Beaver Mountain Ski Resort is a popular winter getaway. Fifteen minutes beyond Beaver Mountain, the summit of Logan Canyon is a breathtaking view of turquoise-colored Bear Lake.

JERROD CALHOUN

Head Coach • 242-144 (12 Seasons) • First Season at Utah State • Cincinnati (2004)

Jerrod Calhoun was named the head men's basketball coach at Utah State on March 30, 2024. Calhoun spent the last seven seasons (2017-24) as the head coach at Youngstown State, where he logged a 118-106 (.527) record.

During his last two years at YSU, Calhoun's teams posted a 46-20 (.697) record, which included a 29-11 (.725) league mark, as the Penguins posted consecutive 20-win seasons for the first time in their Division I history. During his time at Youngstown State, Calhoun led the Penguins to the 2023 Horizon League regular season championship and three postseason appearances, including the 2023 National Invitation Tournament.

Calhoun also served as the head coach at Fairmont State for five seasons (2012-17), leading the Fighting Falcons to a 124-38 (.765) record and four appearances in the NCAA Division II Tournament, including a national runner-up finish in 2017.

During his time at Youngstown State, Calhoun led the Penguins to five-straight winning seasons for the first time in their Division I era (since 1981-82) after posting a 22-10 mark in 2023-24. During his last three years, the Penguins won a Horizon League-best 41 conference games and a league-high 65 games overall. YSU also won 41 home games over the last three years, including a Division I school record 14 games in each of its last two seasons.

Calhoun coached 12 all-Horizon League selections in his seven seasons at Youngstown State, including eight in the last three years. He was also the first coach in Youngstown State's Division I history to take the program to multiple postseasons as it participated in the 2023 National Invitation Tournament and the 2022 Basketball Classic, along with qualifying for the 2020 CollegeInsider.com Postseason Tournament, which was canceled due to COVID-19.

Along with posting a 22-10 record during the 2023-24 campaign, Calhoun also guided the Penguins to a 14-6 Horizon League record and a second-place finish. Youngstown State averaged 81.2 points per game and allowed just 70.9, both of which ranked second in the conference. The Penguins also made 282 3-pointers to rank as the second-most in school history.

Calhoun was the first coach in program history to lead Youngstown State to a regular-season conference title after guiding the Penguins to a 24-10 record and a 15-5 league mark en route to the Horizon League Championship in 2022-23. The 24 wins tied the program record for victories and the 15 Horizon League

wins set the record for conference victories. The Penguins' 24 wins were their most since 1963-64, while its 14 home wins were a Division I school record. For his efforts, Calhoun was named the 2023 Horizon League Men's Basketball Coach of the Year and the National Association of Basketball Coaches (NABC) District 12 Coach of the Year.

Prior to coaching at Youngstown State, Calhoun, a native of Cleveland, Ohio, spent five seasons as the head coach at Fairmont State and accumulated an overall record of 124-38 (.765). Fairmont State won its first conference championship in 21 years with a 21-1 record and received its first NCAA Division II No. 1 ranking since 1976. The program also won 30 or more games for the first time since 1974-75.

Calhoun was a successful assistant coach at Walsh (2004-07) and at West Virginia (2007-12) under Bob Huggins. He spent four years at WVU as the director of basketball operations before serving as an assistant coach in 2011-12. The Mountaineers went 19-14 during Calhoun's last season and advanced to the 2012 NCAA Tournament. During his five years in Morgantown, the Mountaineers posted an overall record of 120-36 with five NCAA Tournament appearances, including the 2010 Final Four and the 2008 Sweet 16.

Calhoun, a 2004 graduate of the University of Cincinnati, began his coaching career at Cincinnati in 2003-04, where he served as a student assistant under Huggins. That year, the Bearcats were 25-7 overall and advanced to the second round of the 2004 NCAA Tournament.

Calhoun played two years of college basketball at Cleveland State (2003-04) for Rollie Massimino and was a member of the Dean's List as well as the Student-Athlete Advisory Board.

ERIC HAUT

Associate Head Coach • First Season • Kent State (2004)

Eric Haut enters his first season as the associate head coach at Utah State in the 2024-25 season.

Haut brings 20 years of collegiate coaching experience with him to Utah State, which includes five years as an associate head coach. He has coached in five NCAA Tournaments and played in two more, including an appearance in the Elite Eight.

Most recently, Haut spent five seasons at Northern Kentucky (2019-24), including the past three years as the associate head coach (2021-24), as he helped the Norse to a 98-56 (.636) record, including a 53-31 (.631) mark in the Horizon League. Haut also helped NKU win the Horizon league and advance to the NCAA Tournament in both the 2019-20 and 2022-23 seasons. The Norse advanced to at least the semifinals of the Horizon League Championship in all five seasons he was on staff, including three championship game appearances (2019-20, 2021-22, 2022-23).

Prior to Northern Kentucky, Haut spent eight years on staff at his alma mater Kent State (2011-19), including three seasons as the associate head coach (2016-19). During the 2016-17 season, he helped the Golden Flashes to a 22-14 record, a Mid-American Conference Tournament Championship, and an appearance in the NCAA Tournament.

Following a storied playing career at Kent State that resulted in an NCAA Elite Eight appearance in 2002 and a NCAA Second Round effort in 2001, Haut's coaching career began as a graduate assistant at Western Kentucky during the 2004-05 season.

Haut spent the next three years at Kent State (2005-08), which included one year as the director of operations and two seasons as an assistant coach. During the 2005-06 campaign, the Golden Flashes captured the Mid-American Conference East Division and Tournament Championships. Kent State also advanced to the NCAA Tournament during the 2007-08 season with Haut on staff after posting a 28-7 record and winning both the Mid-American Conference regular season and tournament championships.

During his time at Kent State, as either a student-athlete or coach, Haut helped lead the Golden Flashes to five of the program's six NCAA Tournament appearances.

Haut also spent three seasons as an assistant at TCU from 2008-09 through 2010-11.

A four-year standout and second-team Mid-American Conference selection during his playing career, Haut helped Kent State win a league record 30 games during its run to the 2002 Elite Eight. The Lansing, Michigan, native was one of the top 3-point marksmen in school history and concluded his playing career with 200 3-pointers, which are the second-most in school history. In all, he appeared in 123 games and helped Kent State post a 98-34 overall record to go along with four consecutive Mid-American Conference East Division titles and four Mid-American Conference Tournament Championship game appearances.

Haut graduated from Kent State in 2004 with a degree in finance. He is married to Tanicius and has a stepdaughter Kamya, who was a middle-distance runner on the Kent State track & field team, and son Karter.

During his time at Youngstown State, Molinari helped lead the Penguins to five-straight winning seasons for the first time in their Division I era (since 1981-82) after posting a 22-10 mark in 2023-24. During his last three years, the Penguins won a Horizon League-best 41 conference games and a league-high 65 games overall. YSU also won 41 home games over the last three years, including a Division I school record 14 games in each of its last two seasons.

Molinari helped lead Youngstown State to its first regular-season conference title after guiding the Penguins to a 24-10 record and a 15-5 league mark en route to the Horizon League Championship in 2022-23. The 24 wins tied the program record for victories and the 15 Horizon League wins set the record for conference victories. YSU concluded its season with an appearance in the National Invitation Tournament.

In 2021-22, Youngstown State's 19 wins were its most since 2000-01 and its 12 Horizon League wins were a school record. YSU also tied the then-Division I record for most home wins with 13 and secured the program's second postseason berth in three years with an appearance in the inaugural The Basketball Classic. The Penguins also won their second-ever postseason game with a 70-65 victory over Morgan State.

In 2019-20, Molinari assisted the Penguins to one of the most historic seasons in the program's Division I history. Youngstown State finished the year with an overall record of 18-15 and placed fourth in the Horizon League with a 10-8 league mark. The Penguins' 18 wins were the most since 2012-13 and tied for the fourth most in YSU's Division I era, while their 10 league wins tied a school record for most wins in Horizon League play. Furthermore, YSU's 17 regular season wins were the most since 2000-01 and the most since joining the Horizon League.

For just the second time in program history, the Penguins accepted a Division I postseason berth to the CollegeInsider.com Tournament, but due to the COVID-19 pandemic the tournament was canceled.

In 2018-19, Molinari helped the Penguins to a four-win improvement from the 2017-18 season and posted the second-most wins in Horizon League play since joining the conference in 2001-02. The Penguins also set the school record for most 3-pointers made in a season with 303.

Molinari joined Youngstown State after five seasons (2012-17) as associate head coach on Calhoun's staff at Fairmont State. There, he helped the Falcons to a five-year record of 124-38 (.765), four NCAA Tournament appearances and at least 20 wins each season.

During the 2016-17 season, Molinari helped Fairmont State to the NCAA Division II National Championship game, a school-best record of 34-3, its first conference championship in 21 years with a mark of 21-1, and its first NCAA Division II No. 1 ranking since 1976. The program also won 30-or-more games for the first time since 1974-75.

In 2015-16, Fairmont State ended the season with a 25-5 overall record, earning a bid to its third NCAA Tournament in four seasons.

During the 2012-13 season, Molinari helped lead the Falcons to the biggest single-season turnaround in school history. The squad also made an appearance in the West Virginia Intercollegiate Athletic Conference Tournament Championship game for the first time in 28 years and earned an at-large bid to the NCAA Division II Atlantic Regional Tournament.

A native of Oneonta, New York, Molinari spent nine seasons at Winthrop from 2003-12 as he was part of Gregg Marshall's staff for five seasons and was an assistant for Randy Peele the last four years. In his nine years with the program, Winthrop won the conference tournament title five times earning bids to the NCAA Tournament in each of those seasons. In 2006-07, the Eagles finished 29-5, were ranked 22nd in the nation, and upset Notre Dame in the first round of the NCAA Tournament.

Molinari also spent seven seasons (1996-2003) as an assistant at Cleveland State. In 2000-01 Vikings went 19-13, their best mark in a 14-year span.

From 1994-96, Molinari was an assistant coach on Scott Thompson's staff at Wichita State. The Shockers won 13 games in his first season, which marked the school's second-most wins during a seven-year run and included a 10-4 record at home at Koch Arena.

Prior to that, Molinari spent two seasons as video coordinator at UNLV with Rollie Massimino. Led by Isaiah Rider, the fifth overall pick in the 1993 Draft and future NBA champion with the Los Angeles Lakers, the Runnin' Rebels went 21-8 in 1992-93 and earned a trip to the NIT.

As an undergraduate at Villanova, Molinari spent four years as a student manager under the direction of Massimino while earning a degree in operations management in 1990. During that time, he assisted the coaching staff as the Wildcats reached two NCAA Tournaments, including one run to the Elite Eight in 1988, and two NIT berths.

He went on to join Jim McDonald's staff at Kent State from 1990-91 as a graduate assistant where he earned a master's degree in sports administration. He returned to Villanova during the 1991-92 season as a graduate assistant as the Wildcats reached the NIT in coach Massimino's final season.

THIS IS THE MOUNTAIN WEST

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level while fostering academic achievement and sportsmanship. Now in its 23rd year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements during its first 22 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the new College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Broncos defeated then 10th-ranked Arizona 38-30 in the VIZIO Fiesta Bowl. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

Changes in the NCAA governance structure set the table for another Conference first, when two members of the MW Student-Athlete Advisory Committee (SAAC) were included in the June 2014 meeting of the Mountain West Board of Directors. New Mexico track and field athlete Kendall Spencer, the national chair of the 2014-15 NCAA Division I Student-Athlete Advisory Committee, and Air Force Academy volleyball player Emma Dridge joined the BOD members in this historic meeting to advance the discussion on student-athlete involvement in the NCAA and MW governance structure. For the last seven academic years, MW student-athletes have participated in monthly membership calls and have joined MW administrators in the annual Joint Council Spring Meetings in Arizona.

The Mountain West is well-represented within the new NCAA governance structure, including individuals who were appointed to serve on committees tasked with managing the day-to-day business of Division I athletics. Kendall Spencer, the former chair of the DI Student-Athlete Advisory Committee and a UNM track & field athlete, was the first student-ath-

lete in the history of the organization to serve on the Division I Board.

Additionally, the Mountain West was the only conference to have the same member institution with No. 1 overall picks in both the NFL and NBA drafts in the same year (Utah's Alex Smith and Andrew Bogut, respectively in 2005). With UNLV's Anthony Bennett claiming the No. 1 pick in the 2013 NBA Draft, the Mountain West is one of three conferences to have multiple No. 1 NBA draft selections since 2000. Also, with San Diego State's Stephen Strasburg earning the No. 1 pick in the 2009 MLB Draft, the Mountain West is one of three conferences to have the No. 1 selection in each of the NFL, NBA and MLB drafts since the MW was founded in 1999.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San José State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean, while the addition of the women's soccer program at Colorado College gives the MW an additional presence in the Rocky Mountains.

HISTORY

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV and TCU entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU re-joined the

group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014, the Colorado College women's soccer program became the first non-football affiliate member of the Mountain West, expanding that sport to 12 Conference participants.

When the Mountain West officially began operations on July 1, 1999, the new league had in place a seven-year contract with ESPN, giving the broadcast entity exclusive national television rights to MW football and men's basketball, and three-year agreements to send the league's football champion to the Liberty Bowl and a second team to the Las Vegas Bowl. Commissioner Thompson also arranged a third bowl tie-in each of the first three seasons (1999 Motor City, 2000 Silicon Valley, 2001 New Orleans) before securing a four-year deal with the Emerald Bowl in San Francisco in 2002.

Entering the 2021 season, the MW has nine (9) postseason opportunities, including a spot in a New Year's Six Bowl (highest ranked non-autonomous 5 champion), six (6) primary bowl positions with the Jimmy Kimmel Los Angeles Bowl, Arizona Bowl, Famous Idaho Potato Bowl, New Mexico Bowl, SoFi Hawai'i Bowl and an ESPN Events-operated bowl, likely to be held in the Dallas-Fort Worth Metroplex - and two (2) secondary positions.

An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in seven inaugural bowl games (2000 Silicon Valley, 2001 New Orleans, 2002 San Francisco (Emerald), 2005 Poinsettia, 2006 New Mexico, 2015 Arizona, 2015 Cure), as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

Chicago, 1976
August, 2023 - Present (Second Year)

Elizabeth (Betsy) R. Cantwell became Utah State University's 17th president on Aug. 1, 2023.

Before coming to USU, she was the senior vice president for research and innovation at the University of Arizona, where she was responsible for an \$825 million annual

research portfolio; the 1,268-acre UA Tech Park, one of the nation's premier university research parks; and a research and innovation enterprise that spanned 20 academic colleges with locations across Arizona, 12 university-level centers and institutes, and other major research-related affiliated organizations conducting classified and contractual work.

She also devoted time to student-athlete focused programs and projects, believing that athletics programs have power to help land-grant universities serve the public and raise awareness of the good these institutions do in communities.

Cantwell previously served as Arizona State University's vice president for research development and CEO of the ASU Research Enterprise. She led an organization of 150 and grew the overall research enterprise at ASU from \$435 million to \$680 million over three years, and in her CEO role, she grew the applied research entity from no contracts to \$15 million in annual awards.

Before her work in university research leadership, she served the U.S. national security mission as the Lawrence Livermore National Laboratory's director for economic development and director for engineering mission strategy, and earlier as the deputy associate director for global security at the Oak Ridge National Laboratory, where she worked with the U.S. Departments of Energy and Defense, the National Nuclear Security Administration, the Defense Threat Reduction Agency, and NASA.

Cantwell is a graduate of the University of Pennsylvania, Wharton School (MBA, 2003); the University of California, Berkeley (Ph.D., Mechanical Engineering, 1992); and the University of

Chicago (BA, Human Behavior 1976).

A member of the National Academy of Sciences Engineering and Medicine's Committee on NASA Critical Workforce, Technology & Infrastructure, Cantwell participated in its most recent Academy Strategic Planning Committee. She has served as the co-chair of the Aeronautics and Space Engineering Board and as a member of several National Academies studies in space science, space systems engineering, National Laboratories operations, and advanced manufacturing. She is a fellow of the American Association for the Advancement of Science in industrial science and technology.

DIANA SABAU

St. Bonaventure University
August, 2023 - Present (Second Year)

Since being named Vice President and Director of Athletics for Utah State University on Aug. 7, 2023, Diana Sabau (Say-bo) has cast a vision for success that is redefining the student-athlete experience, raising the standard of excellence in a new era of college athletics and changing lives through access to a USU education.

Sabau, who is Utah State's first full-time female athletic director and the 12th overall in school history, has employed innovative strategies and revenue-generating ideas, while working closely with key stakeholders to stay at the forefront of the issues that impact Aggie Athletics the most in an ever-changing national landscape.

Sabau's initiatives during her first 12 months on the job include launching a \$125 million 'Reach and Rise' fundraising campaign, which is the largest and most ambitious fundraising effort in the University's history, and the first-ever comprehensive capital campaign in the athletic department's history. She also hired a pair of basketball coaches in Jerrod Calhoun (men) and Wesley Brooks (women).

During her first year at Utah State, Sabau's fundraising efforts resulted in \$28.5 million in gifts and pledges, which is the highest dollar amount in a fiscal year in school history. She also secured a pair of \$10 million-plus gifts, also the highest in USU history, and secured a \$500,000 gift to name the weight room in the iFIT Sports and Performance Center.

Under Sabau's leadership, Utah State had an historic 2023-24 academic year winning a school-best four Mountain West championships in men's basketball, women's soccer, men's tennis and women's volleyball as Danny Sprinkle (men's basketball), Manny Martins (soccer) and Rob Nielsen (volleyball) were each named the MW Coach of the Year in their respective sports. In fact, those four conference championships are the most for USU since 2012.

The 2023-24 academic year also marked the first time in school history that its football, men's basketball, soccer and volleyball programs all competed in the postseason during the same academic calendar as men's basketball, soccer and volleyball participated in the NCAA Tournament, while football played in the Famous Idaho Potato Bowl.

During the 2023-24 season, men's basketball won its first-ever outright Mountain West regular season championship and advanced to its fourth NCAA Tournament in the last six years, including winning a first round game for the first time in 23 years. USU finished the season with 28 wins, which is tied for the third-most in school history and was ranked No. 22 in the final Associated Press poll, marking just the fifth time in school history that USU was nationally ranked at the end of the season.

Soccer won its first Mountain West Tournament Championship and advanced to just its third NCAA Tournament as it finished the season with 14 victories, its second-most in program history, and a

school-record nine conference wins.

Volleyball set a school-record with 17 conference wins and posted 24 victories on the season, which is tied for the seventh-most in school history, as the program advanced to the NCAA Tournament for the second straight year and sixth time in school history.

Men's tennis won its fourth regular season Mountain West title since 2016 as it posted an 18-5 record, which is tied for the fifth-most wins in program history.

Along with the four programs that claimed Mountain West Championships during the 2023-24 academic year, Utah State saw growth and improvement in numerous other programs in Sabau's first year. Football played in its 11th bowl game in the last 13 seasons and had three players earn All-America honors. In track and field, the Aggie men finished fourth at the Mountain West Outdoor Championships, its best finish since 2021, while the Aggie women placed fifth for its best finish since 2018. Gymnastics placed second at the inaugural Mountain West Championships and men's golf won multiple tournaments in a season for the first time since 1995-96.

Even more impressive was Utah State's continued success by its student-athletes in the classroom as they have a 90 percent graduation success rate and a cumulative 3.38 grade-point average. During the 2023-24 academic year, USU's student-athletes combined to earn 249 academic all-Mountain West honors, while 191 were named Mountain West Scholar-Athletes. In fact, those 440 academic honors led the Mountain West. Additionally, USU recognized 245 student-athletes at its annual Joe E. Whitesides Luncheon for earning a 3.2 or better GPA.

Sabau joined Utah State after spending two-plus years as the Deputy Commissioner and Chief Sports Officer for the Big Ten Conference, where she oversaw the administration of all 28 sponsored sports, which included managing affiliate memberships, competition, scheduling, championships, sportsmanship, officiating and awards. The role, created in 2021, made Sabau the first Big Ten Conference chief sports officer in the 125-year history of the league.

Sabau also provided departmental oversight of football, basketball, hockey, Olympic sports and officiating administration for the Big Ten.

Prior to joining the Big Ten, Sabau served as Senior Deputy Athletics Director for The Ohio State University, which is one of the nation's most successful and comprehensive athletics programs with 36 fully funded varsity sports and more than 1,000 student-athletes. Within her tenure, she served as sport administrator for football, women's ice hockey and the co-ed rifle and pistol programs.

During her four years as sport administrator for Ohio State football, the team won four-consecutive Big Ten championships, participated in the college football playoffs and garnered numerous

academic accolades and achievements.

Sabau reinvigorated and redefined Ohio State's women's ice hockey program. As sport administrator, she conducted a thorough national search and recruited Minnesota assistant coach and Golden Gopher all-time leading scorer Nadine Muzerall as the Buckeye's head coach. With Sabau, Muzerall was twice named coach of the year in the Western Collegiate Hockey Association (WCHA), first in 2018, and, again in 2020. In 2018, the Buckeyes received an at-large bid to the NCAA Women's Ice Hockey Tournament and advanced to their first-ever NCAA Women's Frozen Four.

In 2020, Ohio State's women's ice hockey team achieved its best season ever, advancing to the NCAA Women's Frozen Four for the second time under Muzerall, and winning the first WCHA championship for the program. Though this automatically qualified the Buckeyes for the 2020 NCAA Women's Ice Hockey Tournament, it was canceled due to the COVID-19 pandemic and the team received an at-large bid for the 2021 Women's Ice Hockey Tournament. Further, every single member of Muzerall's team earned the OSU Scholar-Athlete (grade-point average of 3.0+) distinction in 2020 and again in 2021.

Sabau was also responsible for revenue generation and accountable for an unprecedented, multi-million-dollar partnership agreement with Nike and the university. During the COVID-19 pandemic, she demonstrated steady leadership and forward-thinking, closing a multi-million-dollar term extension between concessionaire Levy Restaurants and the university.

As television liaison for Ohio State's athletic department, Sabau was responsible for bringing ESPN "College GameDay Built by The Home Depot" back to campus on select game days for live and remote pre-game coverage.

Also, as deputy director, Sabau coordinated Ohio State's overall athletics brand messaging and managed partnership agreements with Learfield IMG College, NIKE, Gatorade, CBS digital, Coke and the Big Ten Network. Further, she oversaw the departments of ticket office, out-bound ticket sales, fan experience and promotions, marketing and social media, video services, as well as the OhioStateBuckeyes.com website. Her deputy director responsibilities included athletics brand messaging coordination, strategic planning, maximizing partnerships for the student-athlete experience, tracking trends in technology for business advancement and public relations.

As department liaison with Ohio State's office of the president, Sabau worked with its chief of staff and communications team to develop collaborative and wide-range messaging and crisis management plans. She provided student-athlete advocacy and insight to influence policy decisions made by the senior management

council, a collective that included leaders from government affairs, the office of the general counsel, student life, communications and marketing, business and finance, talent and culture, administration and planning, as well as leaders from select academic departments.

Sabau was a member of the executive team for the Columbus Local Organizing Committee that planned and hosted the 2018 Women's NCAA Final Four. Chief among her responsibilities were ticket sales, budgeting, student-athlete engagement, fan experience and promotions.

Sabau is a member of the National Society of Collegiate Directors of Athletics (NACDA) and Women Leaders in College Sports (womenleadersincollegesports.org) and serves on the Executive Board for Women Leaders in College Sports. She also serves on the John McLendon Minority Scholarship Foundation Board of Directors. Through participation in the McKinsey Institute professional development program, she holds certificates in enterprise agility, change leadership, centered leadership, and executive transitions.

She earned a master's in sports administration from Ohio University, a bachelor's degree from St. Bonaventure University and attended Oxford University, Somerville College. Sabau and her husband, Jamie, have two children.
