## In All Honesty: A Game Preview

Don't expect too much from these guys. They are a one-man team. Hunter Maldonado leads their team in Points, Rebounds and Assists per game. (Like, how does a guard lead the team in rebounds with 5.7 rebounds per game??) ESPN has us with a 98.6% chance of winning. The only win they had in conference play came against the second worst team in our conference.... SJSU.

## Mark Your Calendars!!!

Senior Night!! February 25<sup>th</sup> @ 9pm. Come say goodbye and thank you to our stellar seniors that are leaving. It's the last home game in the Spectrum for this season.

## WTF?? Only a half sheet for the Spectrum Magic??

Yes, it's only half a sheet. Why? Well to be honest, Wyoming isn't worth printing a whole paper for. We debated whether we should even do one. Then we compromised for a half sheet. Since we pay for our own prints, we decided to put a bit more effort and resources into next week's senior night edition.

If you have any complaints about this decision you can go ahead and just bottle up that anger, then unleash it onto the Wyoming players on the court. Because I doubt any of you would want to put yourselves through the drudgery of researching the most boring team in the conference. So, spare us your frustrations and give it to the team with the ugliest school colors in the nation. Let's give them HELL!!

**Vote for Sam Merrill for the Senior CLASS award!!** Sam is in the running for the Senior CLASS award. For Student Athletes that excel in the community, classroom, character and competition. The first phase of selection is a voting phase. Sam currently sits with 66.7% of the votes. 2<sup>nd</sup> place is Yoeli Childs of BYU..... Aggies, you know what to do. Get on and vote here. Sam has done everything to deserve it! [http://www.seniorclassaward.com/vote/mens\\_basketball\\_2019-20/](http://www.seniorclassaward.com/vote/mens_basketball_2019-20/)

**#31 Javier Turner-** This bench warmer has had about 4 mins of playing time this season. One of those minutes came from the Utah State game where he was put in for garbage time at the end of a blowout game. One minute into the game and this fool gets ejected for trying to start a scuffle with Grootfaam. Idk about you, but I think Grootfaam is the last guy on our team I would start a fight with. Grootfaam would eat this guy alive. I'm sure he will spend plenty of time on the bench tonight. Let's not let him forget what a stupid thing that was.

**#24 Hunter Maldonado-** If it looks like he is experiencing back pain, it's because he must put the whole team on his back.
